The Determined Entrepreneur James F. Grebey, 2013-11-20 Ralph Waldo Emerson the 19th Century American writer and philosopher wrote about the power of the individual and the benefits of following your own path in life His work might have defined the modern entrepreneur Emerson said Life is a journey not a destination The Determined Entrepreneur The Story of Dr George Tinsley and the Values that Guided His Journey to Success looks at the values that guided one of Americas most improbable entrepreneurs on his journey to success By following his amazing life journey out of poverty the reader is able to experience in a unique way how a truly determined person can overcome tremendous obstacles to achieve a lifetime of repeated success If you were to bet on a person who was likely to succeed you would never have bet on George Tinsley The odds against his success would have seemed far too great to be overcome To follow his journey George Tinsley had to overcome an environment of extreme poverty while growing up in one of the toughest inner city neighborhoods in an era of open racial intolerance By letting the values he learned early in life serve as guides throughout his life he was able to overcome the circumstances of his childhood and beat the odds to achieve great personal success as a serial entrepreneur George Tinsley s life proves that success doesn t come from luck Luck might explain one or even two significant accomplishments but becoming a serial entrepreneur comes from the repeated application of a set of guiding principles that lead to the achievement one goal after another The entrepreneurial values that

guided George Tinsley's life can be learned by anyone who is determined to succeed What were the values that that propelled this serial entrepreneur and how did he learn and apply them *Mobile Entrepreneurs* Katrin Sontag, 2018-07-16 Migration mobility and globalization are transforming ways of working and living Business activities relationships and a sense of belonging are often not tied to any one place This book explores biographies of highly mobile startup founders who often run startups that have been called born global It describes how they move how they orientate and perceive themselves and how migration and mobility play a role beyond the physical act of moving Presenting current ethnographic research the book critically discusses approaches in migration and mobility studies and the research field of the migration of the highly skilled *YOUNGPREENEUR* Aishwarya R., If you have to choose between following someone's footsteps or carving your own path what would you choose If you are someone who believes in sincerely creating your own future then this ebook is definitely for you While many people aspire to leave the corporate rat race very few actually make it The world of entrepreneurship welcomes anyone with the right attitude to make it big Of course there are no shortcuts Age is just a number Even a naive 9 years old can create magic if they are inclined to do so Many have established their identity with entrepreneurship Don't you believe this Dive into the contents of this e book that will ride you through the interesting life journeys of some successful young entrepreneurs If they can do it why can't you Read on to find out how they started and what they did differently Take the first step towards your dream of becoming an entrepreneur today the rest would be history
