The Gladiators vs. Spartacus, Volume 2 Abraham Polonsky, 2020-12-21 This publication of Abraham Polonsky's unproduced screenplay for The Gladiators is a tribute to one of Hollywood's premiere post WW II directors and writers whose career was severely impacted by the blacklist His script for The Gladiators survives to remind us that he could and did transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler's bold fictional vision Through a combination of the ambivalence of its executive producer and star plus bad timing it never went before the cameras This book is published in the hope that The Gladiators will be produced for cinema or television

Women of Blaxploitation Yvonne D. Sims,2015-03-26 With the Civil Rights movement of the sixties fresh in their perspective movie producers of the early 1970s began to make films aimed toward the underserved African American audience Over the next five years or so a number of cheaply made so called blaxploitation movies featured African American actresses in roles which broke traditional molds Typically long on flash and violence but lacking in character depth and development this genre nonetheless did a great deal toward redefining the perception of African American actresses breaking traditional African American female stereotypes and laying the groundwork for later feminine action heroines This critical study examines the ways in which the blaxploitation heroines of the early 1970s reshaped the presentation of African American actresses on screen and to a certain degree the perception of African American females in general It discusses the social political and cultural context in which blaxploitation films emerged The work focuses on four African American actresses Pam Grier Tamara Dobson Teresa Graves and Jeanne Belle providing critical and audience response to their films as well as insight into the perspectives of the actresses themselves The eventual demise of the blaxploitation genre due to formulaic plots and lack of character development is also discussed Finally the work addresses the mainstreaming of the action heroine in general and a recent resurgence of interest in black action movies Relevant film stills and a selected filmography including cast list and plot synopsis are also included Instructors considering this book for use in a course may request an examination copy here *Hearings* United States.
