Adventures in Urban Mysticism Jason M.A Walter (JMAW),2012-11-05 *Adventures in Urban Mysticism* AUM Vol 1 *Rebirth* spans a year in the Life of JMAW a human being as he put the pieces together after losing what mattered most to him Years before he had been issued a higher calling by a messenger of the spirit after a near death experience Despite this fear crippled him from embodying love and as a result his

choices created suffering in his life and those he cared about time and time again By searching for a more intuitive natural and mystical way of being JMAW found a deeper connection in spirit He did this by praying for dreams following signs interpreting their symbols and honoring each with a step in faith Doing this work allowed him to see the sacred reflection of Aloha ke Akua God is Love by finally finding that mirror within himself JMAW was ultimately guided to spiritual work and has served people from around the world in a variety of roles including psychic guide and teacher AUM Vol 1 explores all of this and expands through the range of consciousness from light to dark and the grey in between This entirely true story even includes a cameo appearance by the devil himself

Supercommunity E-Flux,2017-12-05 Leading artists theorists and writers exhume the dystopian and utopian futures contained within the present I am the supercommunity and you are only starting to recognize me I grew out of something that used to be humanity Some have compared me to angry crowds in public squares others compare me to wind and atmosphere or to software Invited to exhibit at the 56th Venice Biennale e flux journal produced a single issue over a four month span publishing an article a day both online and on site from Venice In essays poems short stories and plays artists and theorists trace the negative collective that is the subject of contemporary life in which art the internet and globalization have shed their utopian guises but persist as naked power in the face of apocalyptic ecological disaster and against the claims of the social commons I convert care to cruelty and cruelty back to care I convert political desires to economic flows and data and then I convert them back again I convert revolutions to revelations I don t want security I want to leave and then disperse myself everywhere and all the time
