

A Rock Makes an Excellent Puppy

A rock makes an excellent puppy.
They're practically almost the same.
Except that a puppy's reambunctious;
a rock is a little more tame.

It's true that a rock's not as hyper.
It may not chase after a ball.
And, often as not, when you call it,
it won't even bark at all.

And maybe it doesn't roll over,
and isn't excited to play,
but rocks always sit when you tell them,
and rocks really know how to stay.

It may sleep a little bit longer.
It probably eats a bit less.
But rocks never pee on the carpet.
You won't have to pick up their mess.

So go ask your folks for a puppy,
and possibly that's what you'll get.
But, still, if you can't have a puppy,
a rock is a pretty good pet.

It doesn't annoy you with barking;
it quietly sits on a shelf.
A rock makes an excellent puppy.
That's what I keep telling myself.

--Kenn Nesbitt

1. How many stanzas are there?

2. Write the rhyme scheme next to each line (above).

Keystone Poetry Marjorie Maddox, Jerry Wemple, 2025-05-20 From Philadelphia to Erie and from the shale fields to the coal mines Keystone Poetry celebrates the varied landscapes and voices of Pennsylvania This collection brings together the work of 182 poets who with keen eyes and powerful language commemorate the hometowns history traditions and culture of the Commonwealth Organized geographically the poems traverse county lines ancestral lineages and thematic concerns as well as gender racial and socioeconomic barriers The poems in this collection seek to bring the reader close to home while fostering the discovery of new places and a deeper understanding of all those who live in the Keystone State Keystone Poetry also includes resources for teachers Drawing from this collection of place based literature high school and college educators can use students hometown experiences to make disciplines such as literature composition creative writing history geography sociology political science and psychology more engaging and accessible To delve more deeply into class discussion see Let s Talk About It a helpful aid for individual or group reflection To fuel creativity access Let s Write About It a practical guide to inspire writers of all levels

Comprehension Our Way Iris Charlton-DePass, 2012-04-04 This book is intended for junior high school students who are preparing for the English Language Bahamas Junior Certificate examination Each unit is laid out with an introduction which

can be used as a beginning of a lesson followed by a passage letter or poem which could be used in the development of the lesson The skills that are found in the questions that follow each passage or poem should be used to assist in the evaluation of students understanding of what was read and the additional activities should be used to enhance other skills needed to succeed in English Language At the end of the majority of units there is a creative writing section This is to provide the teacher with ideas that students can write about that relate to the themes that were brought out in the piece studied Song and poetry writing are also included in these sections which should help those students who are gearing to become entertainers poets writers etc It is imperative that students at this level be regular readers Examination preparation should in no way discount the overall development of students thinking faculties Educators should ultimately aim to develop the abilities to think and write logically and most importantly to make sound decisions These skills are not likely to be produced by occasional comprehension and grammar exercises Consistent personal development which comes mostly from reading good books and researching is vital Therefore administrators and teachers should stress the importance of independent reading and also ensure that the Language Arts classrooms have libraries with a variety of books for students to use

Mentor Texts Rose Cappelli,2023-10-10 In their first edition of Mentor Texts authors Lynne Dorfman and Rose Cappelli helped teachers across the country make the most of high quality children s literature in their writing instruction Mentor Texts Teaching Writing Through Children s Literature K 6 2nd Edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation The second edition includes brand new Your Turn Lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies literary devices sentence structures and words Dorfman and Cappelli offer new children s book titles in each chapter and in a carefully curated and annotated Treasure Chest At the end of each chapter a Think About It sTalk About It sWrite About It section invites reflection and conversation with colleagues The book is organized around the characteristics of good writing focus content organization style and conventions The authors write in a friendly and conversational style employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom This practical resource demonstrates the power of learning to read like writers
