- Applicants are required to complete a 30-credit hour degree or equivalent before admission to CPA PEP.
- For entry into CPA PEP, a minimum grade of 60% is required and a minimum GPA of 2.0 is required in all Core Courses. A passing grade is required for all non-core courses.
- Applicants missing one or more of the required courses for direct admission into CPA PEP may complete equivalent coursework through CPA preparatory courses delivered by the CPA Alberta School of Business (ASB), or take from a recognized post-secondary institution.
- Where more than one course is required to meet a CPA prerequisite, CPA PEP recommends completing those courses through one post-secondary institution to ensure all required content is covered. Exceptions may not be granted for courses completed through multiple post-secondary institutions.
- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

Exemptions

- Course exemptions are granted according to the approved CPA transfer credit in place when a student has been awarded the required credit. The applicant must meet the applicable grade requirements and the 60-credit requirement for core prerequisites (see section 1.3 in entry to CPA PEP). Admission may require the completion of general courses for any waived exemptions.
- Applicants who receive exemptions based on previous transfer credit credits might have knowledge gaps and are encouraged to use those gaps self-study material available after CPA PEP admission. Applicants are responsible for ensuring they have the knowledge required to support successful completion of the CPA PEP requirements.
