

# Leadership and Management **TRANSITION PLAN** **RECEPTION TO YEAR 1**

 <b>Transition Plan for Reception to Year 1</b> Children settle better into Year 1 when the transition between the classes is gradual.			
Term	Activities/Action	Date	Tick once complete
Spring Term: Reception	A joint project for Reception and Year One is planned (e.g. art project, school trip, an assembly/performance). Reception children visit Year One in small groups once per half term. Year One teachers to spend some designated time in Reception each term, observing children in their familiar environment.		
	Discuss the possible curriculum and environment for the first half term in Reception, Year One teachers and the Assessment coordinator or Head of Year agree together what needs to be brought on at the end of the year.		
	Reception and Year One discuss assessment information. Reception teachers highlight children who are still working at Foundation Stage level or modified curriculum.		
	Reception children visit parts of the school staff visit Reception e.g. first aid, transition workshop, first aid.

## **Transition Plan For Reception To Year 1:**

Planning an Appropriate Curriculum in the Early Years Rosemary Rodger, 2016-04-11 Now its fourth edition Planning an Appropriate Curriculum in the Early Years offers a comprehensive guide for early years practitioners and students on how to plan and implement a suitable curriculum for the children in an Early Years setting It examines the key roles and responsibilities of practitioners working in Early Years settings and those with responsibility for leading and managing provision for EYFS in primary schools Completely revised and updated in line with the Statutory Framework for the Early Years Foundation Stage latest research evidence and OFSTED requirements this book covers the following aspects of the Early Years including what we mean by planning an appropriate curriculum in the early years transition from nursery to school and into Year 1 defining quality learning and play in the early years assessment procedures and examples integration of two year olds into school the role played by parents and carers in children s learning and development the ways in which vulnerable children are provided for examples of planning material developed by practitioners With case studies of good practice and questions for reflective practice and group work this timely fourth edition will be welcomed by students and practitioners looking to provide high quality and effective learning experiences for the under fives

**Transitions to School** Sue Dockett, Bob Perry, 2007 Delivers a comprehensive coverage of local and overseas research on transition to school

**Primary Teacher Solutions** Poppy Gibson, Robert Morgan, Ashley Brett, 2023-07-11 This timely book offers a raw critique of the current educational issues and debates alongside teacher hacks to provide teachers trainee teachers and educators with a plethora of stimulating material to ignite curiosity maintain passion and culture creativity in the classroom Made in partnership with academics and primary school teachers working on the frontline from around the globe this book is threaded with honest practitioner voices as the big educational issues are boiled down and explored Chapters cover day to day organisation such as planning subject knowledge setting homework and behaviour management strategies right through to considering how we can best support children s mental health and staff well being As well as including critical questions to encourage reflection throughout the book offers insights into meaningful experiences such as Teaching overseas Taking on responsibility roles in schools Considering how teachers can become educational researchers for transformative change Engaging with parents and carers Deploying teaching assistants Whether trainee teachers early career teachers or established practitioners this book provides insight into trialled tips and techniques for shaping pedagogy in the classroom A modern well resourced guide as we emerge from the global COVID 19 pandemic

**Planning for Schematic Learning in the Early Years** Karen Constable, 2013-05-29 What are schemas and why should you know about them How can schemas be identified in young children What does schematic learning look like and how does it meet the needs of individual children All children are different they look different sound different behave in different ways and crucially they learn differently It is a constant challenge in Early Years settings and Reception classes to provide opportunities that are relevant and valuable for

all the children Being able to recognise and identify schemas in young children enables practitioners to plan a play based curriculum that allows for individualised learning based around each child s interests that will support the next steps of their development Drawing on current research the book clearly explains what schemas are and how they can be identified in children Looking at how settings can plan to incorporate schemas into their schemes and topics and providing real life examples of schematic learning in practice features include Examples of schemas alongside descriptions of common behaviour patterns A chapter on using schemas to support children with additional needs Photocopiable key checklists to help identify different schemas Guidance on developing schemas to support children in their next steps Advice on using schemas to aid the transition to Key Stage 1 Including case studies and photographs to illustrate practice this highly practical book aims to inspire practitioners teachers and students to be creative in the way they work with children and ensure the best for those in their care Informing Transitions in the Early Years Aline-Wendy Dunlop,Hilary

Fabian,2006-12-16 An increased emphasis on an early start in group day care and educational settings for young children means that by the time children enter statutory education they may already have had several transitional experiences each will have an impact This book explores early transitions from a variety of international perspectives Each chapter is informed by rigorous research and makes recommendations on how education professionals can better understand and support transitions in the early years Contributors examine issues such as Parental involvement in the transition to school Children s voices on the transition to primary school The construction of identity in the early years Readers will be able to draw support guidance and inspiration from the different writers to scaffold their own thinking and development in relation to children s transitions Ample opportunities are offered for readers to gain confidence and competence in dealing with the range of people involved in transitions and to the benefit of everyone not least the children whose transitions capital will grow Informing Transitions in the Early Years is essential reading for early years students practitioners policy makers and researchers Understanding Transitions in the Early Years Anne O'Connor,2012-12-07

There are many transitions that children experience before they are five including the first major transition from home to an early years setting Successive changes can have a serious impact on young children and stress separation and insecure attachments can affect not only a child s emotional health but also cognitive and intellectual development Understanding Transitions in the Early Years explains why transitions matter and provides practical guidance on how to support young children s developing emotional resilience and equip them to embrace change in the future Aimed at practitioners and students the book draws together evidence from neuroscience attachment theory child development and childcare practices provides a context for practitioners to empathise with children and families as they relate to their own understanding of the impact of change and transition looks at ways to reduce the number of transitions including the key person approach offers guidance and practical strategies for practitioners managers and head teachers for supporting children through transitions Including case studies examples of

good practice and questions for reflection this thought provoking text emphasises the little things that practitioners can do for the individual children in their care to help them feel secure and confident when dealing with change

*Studying Early Years: A Guide To Work-Based Learning* Rawlings, Anne, 2008-10-01 Studying early years in the work place in order to gain further qualifications and awards provides many exciting yet challenging opportunities for practitioners In order to become a reflective student and practitioner researcher it is imperative to think critically analyse explore and evaluate ideas or concepts in more depth This book provides a framework for developing these important skills as well as providing support for the challenges and changes that early years practitioners face on a day to day basis It provides ideas and strategies for identifying a personal learning style in order to use work experiences effectively for a variety of work based assignments
