The Red Rose Le Clanché Du Rand, 1991 Insanity E.J. Morris, 2014-03-28 Allow me to introduce myself my name is Eugene Morris and I was born in a small town known as Liberal Kansas and most of the time there isn't a thing to do besides get into trouble or drink your life away Not saying I don't enjoy a drink every now and then but enough about that let's get down to it I've always had a fascination with horror movies horror novels anything Halloween related really Such as monsters demons creatures of the night actually monsters and sighting in our world today I guess you could say I am obsessed with the unknown which led me to interesting moments in my life which I guess you could say are hard to explain But I'm sure all of us have heard that at least once in our lives I mean all of us are a little curious about what may or may not be hiding out there in our big world filled with things that we can never hope to understand Yet out of each possible outcome I always arrive at the same subject that has always puzzled me most it's a thing called Insanity normally used to describe someone who has lost their mind someone so far gone that we will never know again A horrid feeling such as this can not be contained it eats away at the person until there is nothing left to eat A hollow existence is the worst hell of all thus is the reason I wrote this book to demonstrate the true fear of losing one's mind Just like so many writers have before I even began to write Each one of my tales puts you into the mind of someone who lives each day in torment by the very things they can't explain A small look into such an odd and terrifying thing such a thing that truly exists in all of us dare I say some have it contained while others are lost in it Welcome to the horrors which dwell within the unknown Welcome to the world known as INSANITY
