To Follow the Lamb Ted Grimsrud,2022-03-31 For many the book of Revelation seems hopelessly hard to interpret It gives the impression of being full of frightening and confusing visions However To Follow the Lamb A Peaceable Reading of the Book of Revelation shows that Revelation actually is fascinating inspiring and empowering The key to reading Revelation is simple Let s take seriously the opening words of the book that tell us it is a revelation of Jesus Christ Let s expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to

discipleship follow the Lamb wherever he goes It offers a sharp critique of the world s empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation s blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb

Scientific American ,2003 **Riches, Poverty, and the Faithful** Mark D. Mathews,2013-02-14 In the book of Revelation John appeals to the faithful to avoid the temptations of wealth which he connects with evil and disobedience within secular society New Testament scholars have traditionally viewed his somewhat radical stance as a reaction to the social injustices and idolatry of the imperial Roman cults of the day Mark D Mathews argues that John s rejection of affluence was instead shaped by ideas in the Jewish literature of the Second Temple period which associated the rich with the wicked and viewed the poor as the righteous Mathews explores how traditions preserved in the Epistle of Enoch and later Enochic texts played a formative role in shaping John s theological perspective This book will be of interest to those researching poverty and wealth in early Christian communities and the relationship between the traditions preserved in the Dead Sea Scrolls and New Testament

Sammlung Lars Hartman,1997 *The Spirit in the Book of Revelation* Robby Waddell,2019-08-26 The investigation centres on the role of the Spirit in Revelation which the author considers is best defined as the Spirit of Prophecy A survey of scholarship on the pneumatology of the Apocalypse is followed by a study of intertextual connections The author s own religious context within Pentecostalism then informs a possible hermeneutic that is faithful to the ethos of the movement Biblical and literary studies are situated within the context of a Pentecostal

community as attention is paid to the prophecy concerning the temple and the witnesses in Rev 11 This key passage is shown to form the theological as well as the literary centre of the Spirit's role in Revelation Heaven's Fury Stephen Frey, 2010-09-21 New York Times bestselling author Stephen Frey thrills readers with the mesmerizing tale of a small town sheriff who must confront the worst violence that man and nature possess Bruner Wisconsin is really two different towns On one side are the magnificent summer estates of wealthy families who value their privacy and privilege above all else A few miles away but a world apart are the homes of the working men and women who cook clean and tend to the needs of the summer visitors It's a place of staggering natural beauty but where death can come unexpectedly and with no regard for a person's bank account or family tree A place of steadfast loyalties and friendships but where the long and brutal winter can make even the most intimate friends turn on each other with frightening intensity This is the place where Sheriff Paul Summers finds himself grasping for answers when the wild unpredictable woman who captured his heart years ago is discovered brutally and spectacularly murdered inside her family's snowbound estate As the last person to see her alive and given his complicated history with the victim Paul is not only lead investigator on the case but in the eyes of many in Bruner the prime suspect in her killing Battling rumors of an evil cult's being formed just outside of town the disappearance of another citizen and a wife whose grasp of reality is quickly slipping away Paul must race to find the true guilty party before a massive winter storm leaves them all cut off from the outside world and at the mercy of a remorseless killer As the approaching storm gathers in intensity so do the twists and turns that bring Paul ever closer to unraveling the big secrets that haunt this small town In a stunning conclusion Paul witnesses firsthand the startling power and beauty of heaven's fury
