Olukoya,2016-01-25 Tragedy in the Making Mzwandile P. Ntsonta,2012-07 The book is entitled Tragedy In The Making It s written after he the author experienced suffering pain struggle and poverty for a very long time in his life because of wrong beliefs he subscribed to wrong decisions and choices he have made The truth is that people are overwhelmed by what they are going through in their daily living People are trying so hard to make life work and no matter how hard they try they keep on failing Because they are living their lives outside the parameters of God s will for their lives Tragedy in the Making is trying to live the life we have designed for ourselves versus failing to live the life that God has designed for us When you keep doing things in your own way instead of God s way you won t be able to manage your life that is a promise The source of the suffering in this book is the result of men not comprehending the purpose and the plan of God for creating them When I observe and look around in the world today I see a lot of ongoing suffering pain struggle and poverty in God s people as well I believe you can agree with me when I say Some of the things we see daily in this world are heartbreaking Most leaders are responsible for the suffering and struggle that we see in people s lives Whether be the heads of states heads of institutions or heads of families Somehow we are where we are today because someone has led us there The solution in your suffering sorrow pain and struggle can only be found in one only and his name is Jesus Christ He came to reconcile us with the Father He came to restore us into our original state and mend a broken relationship between us and God our creator *Free in Christ* Riaan Engelbrecht,2023-09-29 God wants us to be free Let us proclaim this truth God wants us free He wants us to be free from sickness sorrow heartache anguish pain and strife He wants us to be free from being enslaved yoked and burdened For this reason Jesus said in Matthew 11 that His yoke and burden are light In this world we will have trouble and we are not immune to heartache pain or sorrow but we can be free from its crippling effect on our spirit soul and body In Christ is our liberty In Christ is our hope for He is the eternal shining light and the joy to sustain us Christ has indeed set us free so that

we can also cry as people of all races and ethnic groups as Jews and Gentiles that we are free at last for this is the reality and the truth of John 3 16 Jesus died on the cross so that anyone who believes in Him may be saved and be free at last Free from death misery darkness despair lies the works of the flesh and free from worry Glory to God in Christ we are free at last And for those who are free in Christ they must declare such freedom so that freedom may ring on every mountain and hill and in every valley city and town We are no longer owned by the world by the devil by sin or our past We are free at last In God s freedom we shall soar As eagles enjoy the freedom of the skies so we are called to enjoy God s freedom paid for by the Blood of the Lamb

Theofatalism Lewis Tagliaferre,2013-06-10 When your world of traditional assumptions is shaken where do you turn for inner peace and personal comfort Considering Pascals wager if there is no god and we disbelieve we have lost nothing but if there is a god and we disbelieve we may have lost everything But what if there is no free will and we all must believe whatever we are given That is the primary question that pushed this author into investigating what the world religions and philosophies taught about the existential puzzle called life When my traditional faith failed to provide any comfort after untimely death of my wife I began searching for some belief I could live with and this is what I was given Many thinking people have rejected the mythical god of the Bible and the Quran but they have not found a suitable substitute Since there is no proof for or against the existence of God everyone must be agnostic or atheist if they will admit it Perhaps it is time to replace the anthropomorphic god with one that really works Not the god of the Bible or the Quran but the prime force in the universe Generator Operator Destroyer G O D The expanded and updated essays in the second edition of this book develop such a new theology
