IS TOO
SMALL

J. B. Phillips

Your God Is Too Small

John Bertram Phillips

Your God Is Too Small:

Your God Is Too Small J.B. Phillips, 2012-03-20 This forty year old Christian classic and bestseller is a study group favorite this book challenges readers conventional views about God and encourages them to search for a meaningful redefinition of a higher power that is relevant to contemporary existence Your God is Too Small is a groundbreaking work of faith which challenges the constraints of traditional religion In his discussion of God author J B Phillips encourages Christians to redefine their understanding of a creator without labels or earthly constraints and instead search for a meaningful concept of God Phillips explains that the trouble facing many of us today is that we have not found a God big enough for our modern needs In a world where our experience of life has grown in myriad directions and our mental horizons have been expanded to the point of bewilderment by world events and scientific discoveries our ideas of God have remained largely static This inspirational work tackles tough topics and inspires readers to reevaluate and connect more deeply with a God that is relevant to current experience and big enough to command respect and admiration Your God is Too Small John Bertram Phillips, 1967

The Transforming God Tyron Inbody, 1997-01-01 This book offers a bold new approach to the theological interpretation of human suffering Beginning with a description of suffering and evil as religious problems Inbody moves to a critique of the all loving and omnipotent deity in classical theism concluding with a radical interpretation of the Christian God as a vulnerable transforming God *Your God is Too Small* J. B. Phillips, 1979 *Your God is Too Somber* Christopher Dreisbach, 2019-01-16 Your God is too somber if your posture before him lacks a spirit of joy and a commitment to rejoice as much as possible While life has its sadness and tragedy the good news of Jesus Christ is that God s kingdom has won and the suffering we face for a time is shorter compared with the endless delight that God promises So Rejoice in the Lord always again I will say Rejoice Phil 4 4 Your God is too somber if you embrace a theology of tears rather than a theology of laughter Of course salvation and Christ s sacrifice are serious business and we should engage in moments of penitential reflection confession and atonement But all of this so we can shake off the shackles of our shortcomings and celebrate God fully and joyfully Your God is too somber if you fail to see the humor in the Bible the calls to joy paradox irony burlesque play and wordplay God laughs sometimes with us sometimes at us and Jesus s humor is evident in parables and sayings with the goal of teaching us the truth Is your God too somber This book aims to help you answer that question *Your Jesus Is too Small* Douglas J. Miller, 2018-02-06 We can make Jesus look very small if we are not careful Your Jesus Is Too Small explores how a trivialized Jesus contributes to a collapsed Christian moral character The 2016 election exposed the truth that for many Christians character does not count or is a very low priority Eighty one percent of white evangelicals voted for President Trump not known as a man of high moral character This collapse of character is especially troubling since Christians claim to seek after the mind and character of Jesus Christ What s more the ingrained and unrelenting cultural values combined with our inescapable self centered pursuits bombard us every moment and blight our character After noting how we belittle Jesus

this book explores ways we can exalt him allowing his character traits to inform and then transform our hearts and minds A credible Jesus also means that more tongues will confess him and more knees bow before him and that more people will desire his compassionate character Then we will be morally equipped to address the great crises of our day persistent poverty the marginalizing of out groups raging violence and our planet s lingering woes **Why Science and Faith Belong Together** Malcolm A. Jeeves,2021-02-25 As we try to understand ourselves and the world we live in all too often we look first to science and then if gaps remain in our understanding we try to fill the gaps with reference to God and our faith Such a god of the gaps approach has a long history and is sadly alive and well today This book was written to provide an alternative approach posing this basic question How can educated Christians maintain their intellectual honesty and at the same time be faithful both to Scripture and to science This book provides examples of some of the liveliest science vs faith issues today and suggests ways to think constructively about each of them Throwing Grapes and Moving Mountains Jan Hegelein,2012-12-10 The beauty of a word from God is that it ignites a passion within your spirit It satisfies an underlying thirst you did not know you had and it births a fierce longing for more Spiritual growth is not a given yet it is open to all who would seek after God His love shouts through the pages of His Word and Throwing Grapes and Moving Mountains provides an open window to glimpse the grandeur of Gods passion and commitment to His children Soak in the truths found within and your walk with Christ will be energized and strengthened You will be challenged to live honestly before God and in doing so find a new depth of love and encouragement to refresh your spirit Receiving a devotion from Jan is like a kiss on the cheek from my heavenly Father Jans devotions are meaty and full of Gods words of love and encouragement challenging me to go deeper with Him and recognize the strong and fierce love that God my Father has for me Cindy Purdy Be Still and Know Millie Stamm,1981-09 These daily devotional readings from Millie Stamm will encourage you in your Christian life throughout the year Your Gospel Is Too Small Jason Valeriano Hallig,2021-04-07 Friedrich Nietzsche believed that with the gospel the Christian is a useless separated resigned person extraneous to the progress of the world Hence to Nietzsche the Christian message is a virtue of the weak This criticism emanates from the kind of a gospel we have known accepted and preached for centuries a gospel that represented the Christian message out of the medieval and Reformation theologies With the revival of biblical studies and theology in the eighteenth century and onwards studies on the gospel shifted to more historical approaches paving the way for a more biblical gospel that is faithful to the larger biblical narrative Slowly we have rediscovered a different understanding of the gospel that is not limited to a personal and highly spiritualized gospel but one that is more cosmic in its grandeur Your Gospel Is Too Small invites readers to a whole new world open to men and women toward a vision greater than previously held a world that is even beyond what ubermensch offers to us This is a reframation of the gospel we thought we already knew What on Earth are We Doing? John Fischer,2002-12-20 A splendid piece of work charting a new direction for the evangelical church written with a dazzling combination of intelligence and passion At

the close of the 20th century Fischer's work will be hailed as a linchpin of evangelical reform and renewal Brennan Manning John Fischer at his best Lively insightful wise solid biblical guidance for pilgrims making their way in a world that for all its brokenness God still loves Richard Mouw President Fuller Theological Seminary Whether or not America's Christian subculture will be able to understand Fischer's effective blend of fresh experience unexpected insight and gospel realities is a real question But thank goodness here it is Mark A Noll McMannis Professor of Christian Thought Wheaton College Many of us have been encouraged to have a shrink wrapped Christian experience that has kept us pure but unused This book is a testimony to the power of the Christian life that engages with ideas culture inner cities politics and economics and makes a difference Fred Smith President Fourth Partner Foundation Like his apostolic namesake John Fischer knows that love not resentment is the hallmark of Christian peoplehood His book comes at a time when because of the way the world is changing the Church must reassess what it means to be in the world and not of it Ken Meyers host and producer of the Mars Hill Tapes author of All God's Children and Blue Suede Shoes Christians and Popular Culture **I Don't Believe That Either . . .**

However Tucker E. Dawson, 2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God's immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith **Your God is Too Glorious** Chad Bird, 2023-11-14 Most of us are regular people who have good days and bad days Our lives are radically ordinary and unexciting That means they're the kind of lives God gets excited about While the world worships beauty and power and wealth God hides his glory in the simple the mundane the foolish working in unawesome people things and places In our day of influencer worship and online posturing this is a refreshing even transformative way of understanding God and our place in his creation It urges us to treasure a life of simplicity to love those whom the world passes by to work for God's glory rather than our own And it demonstrates that God has always been the Lord of the cross a Savior who hides his grace in unattractive inglorious places Your God Is Too Glorious reminds readers that while a quiet life may look unimpressive to the world it's the regular everyday people that God tends to use to do his most important work Now available in a second edition Chad Bird invites the reader to go deeper into the pursuit of the faithful ordinary life with study questions at the end of each

chapter for personal or corporate use *Renovation of the Heart* Dallas Willard, 2021-11 *Renovation of the Heart* is an influential contribution from the late Dallas Willard that continues to break ground twenty years after its first release Helping us to understand how character is formed and where Jesus does his most significant work on our spiritual and emotional health this book changed a generation's mind about what it means to follow Jesus not a matter of sin management but a matter of drawing near and letting ourselves be shaped into the eternal people of God With reflections on the book's impact over its life from family friends and admirers of Dallas and supplemental resources for the first time in print *Renovation of the Heart* will continue its ministry of liberation by formation for years to come Includes a foreword by John Mark Comer and an afterword by Natasha Sistrunk Robinson *Christian Faith in Our Time* Paul Jersild, 2016-12-19 Jersild responds to a fundamental issue in the theology of the church what is the nature of our language in addressing the mysteries of our faith such as speaking of God or of the incarnation Advocating a modest theology in facing the mystery of God and acknowledging the impact of postmodern sensibilities he lifts up the metaphorical language of Jesus as the key to a responsible theology Jersild makes his case for a faith based imagination centering on the life death and resurrection of Jesus as God's man who brings a divine redemptive love to the human story Theology does not give us a line in the sand that divides the saved from the lost nor is it the truth that makes all other religions false This is a book for seekers as well as many church members who harbor questions and doubts about the church's theology *STANDING ON HOLY GROUND* Rev. Charles M. Ridulph, 2025-05-07 *STANDING ON HOLY GROUND* is intended to break into the realm of today's vague understanding of spirituality Today many people rob themselves of any real peace hope or joy simply because they rely upon themselves or a god that they do not know This book tells you about the God of the Bible and his very essence Many today feel lost and alone in a world which has become so complicated so threatening But it need not be that way This book is intended to bring you into the presence of the God which loves you and cares for you **What on Earth Is God Doing?** Rob Good, 2024-08-16 Do you ever question what life is supposed to look like Are you tired of large institutions trying to make you into their best version of you The pages of this book are filled with the discovery of what God is doing for you He's working so you can live an optimal life But how No institution directs this because God does the work Himself Through looking at historic and modern examples author Rob Good navigates the clear and repeatable cycle on which God is taking us The goal of this book is to help you connect your experience with God's faithful rhythms You will track your own spiritual journey and develop new expectations to participate with God's action He has been doing this in people's lives for centuries and is doing the same thing in you Finally if you've never attended church or don't believe in God this book will introduce a God who is at work even if unacknowledged Our perception does not impede His action It is time to discover what on earth God is doing *Going Global with God* Titus Leonard Presler, 2010-10 Explores the gifts and challenges of grassroots mission initiative in a world of difference In this stimulating new work congregations and church leaders at every level can gain the theological

and practical background to build mission relationships marked by companionship reconciliation and mutuality Dusty Earthlings John Mustol, 2018-01-01 The Lord God formed a man from the dust of the ground Genesis 2:7 Made of dust we humans are thoroughly physical beings We are dusty earthlings As such we are also ecological beings or rather eco physical beings firmly embedded in and dependent upon God's earthly ecosystems which support and provide for us and constitute our earthly home Today we are living in ways that are damaging our home As Christian dusty earthlings we are called to oversee God's earthly creation and to follow Jesus Christ God incarnated as a dusty earthling How do we do this in the face of the array of ecological problems we face today How can we obey the ecological principles and limits that govern all of life on God's good earth Mustol argues that the virtues of humility voluntary self limitation and the principles of kenosis and justice will help as we seek to follow Jesus as dusty earthlings in today's world Prison Stories Harold F. Green, 2013-08 This book is a story or series of stories about people People in prison some are employees but most are inmates This book is their story In prison everyone has a story and most want to tell their story The main problem is to get someone to listen It is often a story of violence a story of loneliness and in many cases the horror of the unknown This book is the result of countless hours of listening to story by story of hatred Countless days indeed years about plans for that day when they get out This book is the Boiling Down of the American version of Crime And Punishment Hopefully someone will see a ray of hope in the human predicament called Crime

Getting the books **Your God Is Too Small** now is not type of inspiring means. You could not single-handedly going subsequently books gathering or library or borrowing from your links to right to use them. Your God Is Too Small Introduction

In the digital age, access to information has become easier than ever before. The ability to download Your God Is Too Small has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Your God Is Too Small has opened up a world of possibilities. Downloading Your God Is Too Small provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Your God Is Too Small has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Your God Is Too Small. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Your God Is Too Small. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Your God Is Too Small, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Your God Is Too Small has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
