The Yummy Mummy's Ultimate Family Survival Guide Liz Fraser, 2007 Self help [The Yummy Mummy's Survival Guide to Pregnancy](#) Liz Fraser, 2006 [Interrogating Motherhood](#) Lynda R. Ross, 2016-12-30 It has been four decades since the publication of Adrienne Rich's *Of Woman Born* but her analysis of maternity and the archetypal Mother remains a powerful critique as relevant today as it was at the time of writing It was Rich who first defined the term motherhood as referent to a patriarchal institution that was male defined male controlled and oppressive to women To empower women Rich proposed the use of the word mothering a word intended to be female defined It is between these two ideas that of a patriarchal history and a feminist future that the introductory text *Interrogating Motherhood* begins Ross explores the topic of mothering from the perspective of Western society and encourages students and readers to identify and critique the historical social and political contexts in which mothers are understood By examining popular culture employment public policy poverty other mothers and mental health *Interrogating Motherhood* describes the fluid and shifting nature of the practice of mothering and the complex realities that define contemporary women's lives *Starting School Survival Guide* Sarah Ebner, 2011-06-17 What every parent needs to know before your first child starts school Is your first child about to start school Do you want to give your child the best start to their education and school life Are you nervous about dealing with other parents and teachers If you're worried about how to prepare your child and yourself for school for the first time *The Starting School Survival Guide* eases your worries and gives you all the gossip from the school gate telling you everything you need to know Any idea what a number line is Nervous of being told off by the lunch box police It's okay because Sarah Ebner author of *The Times* popular blog *School Gate* and mother of two is going to arm you with all the things people never tell you to prepare for when term time begins Packed with tons of personal advice and tips from parents who've

been through it themselves find out how to prepare yourself and your child for surviving the school system unscathed From help with choosing and applying to the right school in the first place and preparing for your child s first day to dealing with head lice navigating school cliques children as well as parents and interacting with teachers and other parents you ll find out all the best ways to cope and more including Preparing your child when to teach them to read the perils of school uniform tips to help them learn Gossip at the gate dealing with school gate mums the etiquette of birthday parties and negotiating friendships Education helping with homework key stage exams and understanding the national curriculum Holidays how many can you take holidays in term time what to do with your child during the summer Problems at school children with special needs coping with shyness what to do if your child is bullied or is the bully From classroom to playground and beyond the school gate this is essential reading for every parent entering the school system for the very first time since you left school yourself

Sex Work in Popular Culture Lauren Kirshner,2024-07-05 Sex Work in Popular Culture delves into provocative movies TV shows and documentaries about sex work produced in the last fifteen years a period of debate and change around the meaning of sex work in North American society From Oscar winning films to viral YouTube videos and from indie documentaries to hit series many of which are made by women the book reveals how sex work is being recognized as real work and an issue of human rights Lauren Kirshner shares how popular culture has responded by producing the dynamic new figure of a sex worker who challenges tropes and promotes understanding of the key issues shaping sex work The book draws on labour and feminist theory film history current news and popular culture all within the context of neoliberal capitalism and the rise of transactional intimate labour Kirshner takes us from erotic dance clubs to porn sets illuminating the professional lives of erotic dancers massage parlour workers webcam models call girls sex surrogates and porn performers Probing how progressive popular culture challenges stereotypes Sex Work in Popular Culture tells the story of sex work as labour and how the screen can show us the world s oldest profession in a new light

A Spoonful of Sugar Liz Fraser,2009 Parenting **The Star and Celebrity Confessional** Sean Redmond,2013-10-18 In this book the different manifestations meanings and processes of the star and celebrity confessional will be explored The confessional is taken to be any moment in which a star celebrity or fan engages in revelatory acts that are considered to be authentic heart felt and honest These confessional encounters can take place in an interview through performance and presentation events online and in unscripted encounters A star may break down in tears or reveal a previously unknown truth about their private life However this authenticity is often found to have been manufactured or is timed to occur against a new release or product launch Alternatively the desire to confess may be seen to draw attention to the centrality of pseudo forms of emotion in contemporary culture and the obsessional behaviour it produces In this book authors consider acts of confession by celebrities such as Tom Cruise Michael Jackson Jade Goody Britney Spears Sarah Jessica Parker Tracey Emin and Russell Crowe

The Demands of Motherhood L. Smyth,2012-04-11 Drawing on qualitative interviews with forty middle class

mothers living in Northern Ireland and the US this book explores the strategies women adopt as they take on and creatively re make motherhood in ways which allow them to cope **My Yummy Mummy Guide** Karishma Kapoor,2013-08-15

Classifying Fashion, Fashioning Class Katherine Appleford,2020-10-14 Drawing together theoretical ideas from across the social sciences *Classifying Fashion Fashioning Class* examines how the fashion class association has developed and using the experiences of middle and working class British women demonstrates how this relationship operates today Though increasingly academics argue that contemporary class distinctions are made through cultural practices and tastes few have fully explored just how individual s fashion choices mobilise class and are used in class evaluations Yet an individual s everyday dress is perhaps the most immediate marker of taste and thus an important means of class distinction This is particularly true for women as their performances of respectability femininity and motherhood are embodied by fashion and shaped by class In unpacking this fashion class relationship the book explores how fashion is used by British women to talk about class It offers important insights into the ways fashion mobilises class differences in understandings of dressing up performance and public space It considers how class identity shapes women s attitudes concerning fashion trends and classic styles and it draws attention to the pivotal role mothers play in cultivating these class distinctions The book will be of interest to students in sociology fashion studies cultural studies human geography and consumer behaviour **Lean management**
