*The Buddha in the Machine* R. John Williams, 2014-06-24 The writers and artists described in this book are joined by a desire to embrace Eastern aesthetics as a means of redeeming Western technoculture The assumption they all share is that at the core of modern Western culture there lies an originary and all encompassing philosophical error and that Asian art offers a way out of that awful matrix That desire this book attempts to demonstrate has informed Anglo and even Asian American debates about technology and art since the late nineteenth century and continues to skew our responses to our own technocultural environment
