

A white Schweizer Model 300CB/CBi helicopter is shown in flight against a clear blue sky. The helicopter is viewed from a low angle, looking up at its side. The main rotor blades are blurred due to motion. The tail boom extends to the right, and the tail rotor is also visible. The landing skids are extended downwards. The cockpit windows are dark, reflecting the sky. The overall image has a professional, high-quality appearance, typical of a technical manual cover.
