My eldest sister's husband's grandfather named Sung Tao was a graduate One day while lying down from indisposition an official messenger arrived bringing the usual notification in his hand and leading a horse with a white forehead to summon him to the examination for his master's degree Mr Sung here remarked that the Grand Examiner had not yet come and asked why there should be this hurry The messenger did not reply to this but pressed so earnestly that at length Mr Sung roused himself and getting upon the horse rode with him The way seemed strange and by and by they reached a city which resembled the capital of a prince They then entered the Prefect's yamen the apartments of which were beautifully decorated and there they found some ten officials sitting at the upper end all strangers to Mr Sung with the exception of one whom he recognised to be the God of War
