dynamics and performance the challenge of capturing and disseminating that insight to both academics and practitioners is entrenched in the rigor relevance debate While we are witnessing increased calls for actionable knowledge this ideal unfortunately remains a rather elusive concept as critics contend either that rigorous academic research falls well short of relevance to the practitioner world or research that proves to be valuable to practitioners falls short of the rigor expected in academic life This volume is intended to help bridge that divide Drawing on the FNEGE ISEOR intervention research workshop the volume contains 18 chapters that explore the intervention research process from initial conceptualization to implementation to publication The volume will be published in French and English *Multilingual Dictionary of Knowledge Management* Otto Vollnhals, 2011-09-06 No detailed description available for Multilingual Dictionary of Knowledge Management Design organisationnel pour le management des connaissances Mona Ben Chouikha, 2016-01-01 La th orie du design organisationnel ouvre de nouvelles perspectives pour un management efficace des connaissances Cet ouvrage mobilise ce concept pour construire un instrument permettant aux organisations modernes d identifier et de d crire les facteurs facilitant et ou inhibant le management des connaissances au sein de leurs quipes Une approche syst mique a t adopt e pour b tir un mod le nomm Design de l organisation apprenante qui met l accent sur l incidence de la strat gie de la structure des syst mes d incitation des caract ristiques individuelles et de la technologie sur le management des connaissances Une tude de cas longitudinale au sein des quipes de projet d un groupe international de t l communications a permis de valider ce mod le et de l enrichir en mettant en vidence l mergence d un nouveau design organisationnel prenant en compte le r le de la culture et des objets fronti res dans la cr ation et le partage des connaissances **Earth and moon** P.
