Pasiaka, 2015-03-18 What is the place of pluralism in the context of a dominant religion How does the perception of religion as tradition and culture affect pluralism Why do minorities demands for recognition often transform into exclusion Through her ethnography of a multireligious community in rural Poland Agnieszka Pasiaka demonstrates how we can better understand the nature of pluralism by examining how it is lived and experienced within a homogenous society Painting a vivid picture of everyday interreligious sociability Pasiaka reveals the constant balance of rural inhabitants between ideas of sameness and difference and the manifold ways in which religion informs local cooperation relations among neighbors and friends and common attempts to make pluralism The book traces
