## **What A Bitch Goes Through:**

**Just Going Thru Some Thangs!** DeAnn Lain,2011-10-14 Brenda James Rachel Tims and Lee Jordan are three very unlikely best friends who produce the perfect formula for trouble as they fight for the love of a married man a single man and a man who must R I P all while they struggled to finish their last year of college at Peaton University located just 120 miles away from Atlanta Georgia The East Coast Visitor Brenda James whose first love Greg left her with a broken heart instead of a marriage proposal on a hot summer night after finding out about his new lover and unborn baby on the way with her best friends sister Rediscovering love was not lost for long she would meet Theo Shell a stranger who would explore her precious temple which allowed her to embrace her womanhood Before graduation she would need to choose between a life alone and an unexpected marriage proposal The West Coast Native Rachel Tims a woman with quiet strength and startling beauty whose ambition to become a lawyer led her to quench her thirst for success in the arms of a man who was torn between her and his home Her millionaire lover Phillip Daniels placed the world at her feet yet she must decide to step forward or step away from what her heart was leading her into The Southern Peach Lee Jordan used lustful married men as she roared like a lioness in pursuit of her prey Yet her manizing ways made her fall for a much older married lover Sergeant Ethan Robinson whose death would cause her to abruptly change the way she embraced love Making wrong and right decisions would predict these women s futures JUST GOING THRU SOME THANGS together is what they must do to get to the next journey in their lives

**The Lies by Ni** The-Lou,2011-09-19 I would like to start off by saying this story is based on what happened to me Every story has a beginning middle and ending I didnt know Ni as I will call her in this story in the early years of her life but based on how bad she treated me I think she would have been this type of person From the time I introduce myself into the story until I take myself out of the story THAT ACTUALLY HAPPENED I hope that anyone reading this story could learn a lot about the people you are dealing with and recognize the lies they tell I truly believe that women are the biggest players and when it comes to falling in love the most intelligent man is not as smart as the dumbest woman The average woman has two men in her life she has her lover and she has her provider and when you meet her you better make up your mind which one you are going to be because if you dont you could end up dead or in the penitentiary because it almost happened to me and the one thing I have learn is to NEVER UNDERESTIMATE THE POWER OF THE PU\_\_Y
