The Every Day Book, Or a Guide to the Year William Hone, 1866 *The every-day book: or The guide to the year* William Hone, 1859 *Ramadan in Java* André Möller, 2005. The dissertation aims at reducing this gap in the literature on Islamic cultures and provides its readers with ways of approaching and understanding Ramadan and various different Islamic phenomena in Indonesia and in other parts of the Muslim world. It is argued that we preferably may approach Islam from three different angles: that is to discuss it from the normative, the written, and the lived perspectives respectively. In this study, thorough attention is thus directed not only to the classical and normative Islamic texts and the lived reality in Java but also to the popular and contemporary Indonesian literature on Ramadan.

A Gamelan Manual Richard Pickvance, 2005. A Gamelan Manual is the first comprehensive description of the performance practice of the central Javanese gamelan. Aimed mainly at the many gamelan players in the West, it will also appeal to composers and music lovers wanting an extended account of one of the world's major musical cultures and to teachers interested in new resources for music in schools. The book provides detailed information on the parts played by the various instruments of the gamelan as well as on the principles on which the music is based. It also sketches the cultural background to musical performance in Java. Numerous illustrations and helpful tips for beginners are included, but also pointers to where more advanced students can find additional material. Owners of the book have access to further content via the associated website. Book jacket.
