**Great Cloud of Witnesses** Jackson Lashier, 2023-09-19 Protestant Christians should venerate the saints This shocking claim lies at the heart of Great Cloud of Witnesses In it Jackson Lashier presents the practice s biblical foundations and highlights the Christian belief in the resurrection of the dead those who have died in Christ are still living in hope of final resurrection and in that state they serve as witnesses Hebrews 12:1 actively supporting modern Christians as they seek to live faithful lives of discipleship Each chapter tells the story of a different saint six men and six women from varying places times and traditions both to connect them to readers as spiritual companions and to relate more practical lessons from the saints lives Readers will encounter different and more creative ways of reading Scripture learn how important doctrines e g the Trinity developed from Scripture and experience ways of living like a monk even while having a job and a family The stories are told chronologically giving Protestant readers the added benefit of a greater knowledge of church history Because Protestants are often skeptical of saint veneration the book addresses common objections Are the saints divine Does our devotion to the saints take away from our devotion to Christ Are the saints without sin Who decides who gets to be a saint Through this book Protestant readers will gain a greater appreciation of the saints and the spiritual practice of saint veneration as well as the motivation to engage it for themselves

**Faith Beyond Believe** Joel Dison, 2013-02-16 Understanding true faith can help you unlock your true potential as a follower of Jesus True faith however may just be one of the most misunderstood concepts in our culture We speak of having faith or being a person of faith but in the biblical context faith is as much a verb as it is a noun Faith is something we do how we walk and live Indeed there is a very practical element to faith and the letter written by Jesus brother James provides one of the most practical portraits of what real everyday faith looks like At times the book of James will sound like it is contradicting the writings of Paul At other times the book of James feels like it is promoting a works based salvation However when we truly dig deep into this letter we can discover some incredibly helpful principles to make the faith we proclaim a faith that we truly live James gives us a faith that is more than just belief It is a faith beyond belief Faith Beyond Belief digs into this book and pulls out nine such principles and shows you how to apply them to your Christian walk

**Kinetic Military Action and Next Generation Debt: Waveform Politics Vol. 10** Gary Clifford Gibson, 2012-04-19 Waveform Politics Ten is the final volume of contemporary history essays on empirical and philosophical topics from an ordinary American citizen s point of view The wave forms in the title refer to the broadcast media s ubiquitous

adverse conditioning of U S mass political thought Volume One named Fade Into History started with essays written in 1999 and later with subsequent volumes viewing a panoramic presentation of concerns from the 9 11 attacks to major sociological restructuring of American moral concerns From two foreign military engagements lasting most of the first decade of the third millennium to restructuring of the U S and Global economy the Waveform Politics series collects the experience of contemporary U S history interactively rather than retroactively The Hidden Treasure Book Printmedia Books,2006-04
