Family worship. A series of prayers with doctrinal and practical remarks on passages of Sacred Scripture for every morning and evening throughout the war; adapted to the services of domestic worship, by one hundred and eighty clergymen of the Church of Scotland viz J. Smyth, N. Paterson, J. Henderson and others. Edited by J. G. James GIBSON (Professor of the Free Church College,

Glasgow.),1854 *Void Fate: A Novel* Suren G. Hakobyan,2020-06-17 Empty streets are littered with stalled out cars buses and motorcycles A sunless and moonless sky is covered with an enormous barrier that prevents any view of the heavens

Nothing stirs The air is oppressive and there is no wind not even the softest breeze It was supposed to be a typical day for the five friends but they wake up to discover that they are left alone on earth The world that they knew is gone All that is left is silence pervasive absolute silence What happened while they slept Are they the only ones left As the theories start to fly and their imaginations run wild they wonder if they are still on Earth at all possibly abducted by aliens trapped in a simulation or claimed by the afterlife Aram is the only one who can see deep into the silent world That s why from the very beginning he starts to look for a way out of this new reality If he can convince his friends to stay focused as the whispers begin and fight against the evil of the silent world the fog shaped beings that wander the empty streets they may stand a chance If not the only thing that lies ahead is the fate of the void
