Seibel, 2023-06-13 In a revised and updated edition this comprehensive up to date text offers a framework for intentional intergenerational Christian formation It provides the theoretical foundation of intergenerationality then gives concrete practical guidance on how worship learning community and service can all be achieved intergenerationally **From Story Interpretation to Sermon Crafting** Charles R. Dickson, 2012-01-09 From Story Interpretation to Sermon Crafting was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry preaching The book presents a text centered and theological approach to analyzing Old Testament narratives This approach lays a solid basis for interpreting the narratives

and demonstrates that the movement from examining the text to crafting the sermon is a continuous process. Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology, this approach to sermon crafting is rooted in the text, shaped by the text, and is characterized by sound and controlled exegesis. It provides the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues, concerns, and struggles faced by the church and Christians. The writer to the Hebrews says of righteous Abel, though he is dead, he still speaks (11:4). Similarly, these ancient stories do speak and can still speak today. To make them heard effectively and relevantly is the purpose of the book.

*Guide's Greatest Mystery Stories* Lori Peckham, 2007. Presents twenty-two mysteries written by various authors between 1955 and 2006, including Ella Ruth Ekins, Nina Walter, and D. Carl Anderson, and featuring such items as an old gold mine, a piano playing ghost, and property that disappears from a club house.

*Guide's Greatest Grace Stories* Lori Peckham, 2008. What is grace? It's getting better than you deserve. Maybe you really ought to be punished or rejected for something you did. But you aren't. Guide has collected their all-time favorite stories involving people like you who were shown the mercy of God's grace.

**Behind the Bible's Greatest Stories** Paul H. Wright, 2025-05-20. In *Behind the Bible's Greatest Stories*, Dr. Paul Wright takes you behind the scenes, uncovering the ancient cultures and historical geography that frame the most memorable stories in the Bible. Posing rarely asked questions about these popular Old Testament stories, you'll move beyond the typical Sunday school answers and into the fascinating world of the Bible. This deep dive into the text of Scripture reveals that our beloved Bible stories are not quite as simple as they may seem. Their plots are intricate, their settings are meaningful, and the motives of their heroes and villains are complicated and often conflicted. Includes Noah's ark, Joseph in Egypt, Moses and the Exodus, Jonah and the whale, the story of Ruth, Queen Esther, and David versus Goliath. Each chapter features maps, photos, and discussion questions, making this book ideal for teaching Bible study groups and individual learning.

*Guide's Greatest Mission Stories* Lori Peckham, 2009. Machete-wielding assassins flee when a horseman rides up, but the missionary they had been sent to kill can't find any hoof prints. A teenager hurls a rock at the kerosene lantern hanging just above the preacher's head, and a mysterious hand reaches out to grab the stone. Seven dogs show up at a missionary's home and prevent a mob from murdering the family on three separate occasions. But God doesn't just protect the ones He sends; He floods their hearts with His love, too. Puringa sold the clothes off his back for the right to continue teaching about Jesus. The kindness of young Jume saved the life of a man who mocked him. And Pedro, an isolated Bible worker, devised a plan to share the gospel with thousands of people along the Amazon River whom he could never reach in person. There's nothing like a good mission story to remind you that God is faithful to everyone who is totally committed to Him.

*Telling God's Stories with Power* Paul F. Koehler, 2010-06-01 Biblical Storytelling in Oral Cultures This is a complete and practical introduction to storying especially for people who want to learn about using biblical storytelling in cross cultural contexts and who want to train others to become storytellers It includes many fascinating accounts of the responses of tribal people to the first proclamation of the gospel through storytelling The result of years of research and field testing *Telling God's Stories with Power* is a product of the author's own journey as he confronted the challenges of teaching the Bible in parts of the world where people are unaccustomed to a Western style of learning Full of innovative and groundbreaking insights this study is packed with ideas explanations and constructive suggestions stated in clear and simple language Throughout the book there are extensive examples from the storytellers own experiences Tracing the movement of the biblical stories across multiple generations of tellers and listeners storytelling is found to be superior for knowledge transfer and for bypassing resistance to the gospel in oral contexts thus presenting clear evidence of the effectiveness of biblical narrative among oral learners

*Introducing Story-Strategic Methods* Robert Strauss, 2017-03-17 The purpose of *Introducing Story Strategic Methods* is to awaken us in the cross cultural context Our natural tendency is to be asleep to our own cultural values and core worldview assumptions This tendency applies as well to our expectations in the cross cultural context For example in what ways would a justice pattern of culture orient our speech and behavior To what degree is a justice pattern of culture different from an honor pattern of culture The book asserts that culture matters in effective communication Going further to what degree does a story told from the Bible nullify the power of culture Often we assume that the biblical story trumps culture It does not The book affirms rigorously that culture is much more powerful than we first suppose If in fact culture trumps the biblical story Therefore understanding and skills are required for effective engagement across cultures Strategic storytelling is a twelve step methodology that addresses the problems of miscommunication and syncretism that plague the cross cultural context It offers a step by step solution that promises success Insights are firmly rooted in Scripture and equally grounded in empirical research from the social sciences The stories told throughout the book are true The answers are compelling
