## Vocabulary

**A Complete the two short texts with the words in the boxes.**

bothered   a drag   dyed   got upset   never-ending   nuts   a punk   look

**1**

I know people think I'm (1) a punk, they take a look at me and they can't see past the (2) dyed hair and torn clothes. Usually I'm not (3) bothered by it, but sometimes it's a bit of (4) a drag with the (5) Never - ending stares. I don't dress this way to shock people, it's just that I like the (6) look and I want to be different from the average teenager. Of course, my mum (7) got upset when I first came home looking like (8) nuts.

airhead   catwalk   deep-rooted   I nearly forgot   photogenic   stunning   there's bound to be

**2**

My girlfriend is one of the top models in the UK. She looks (9) stunning in whatever she wears and she's always been (10) photogenic. When I see her on the (11) catwalk I just can't believe how lucky I am. (12) There's bound to be some people who look at her and immediately think she must be an (13) airhead, but in fact she's much cleverer than me. Oh, (14) I nearly forgot, people think she's very self-assured but in fact she has a (15) deep-rooted fear of losing her looks and becoming ugly.

**B Replace the italicised words and phrases with a compound adjective from the box.**

are clean-shaven   middle-aged   second-hand   short-lived   easy-going   worn-out   well-off

(16) Come on! I know you're *almost 50*, but that doesn't mean you can't enjoy dancing. MIDDLE-AGED

(17) Don't worry! All teenagers have a horrible taste in clothes. It will be *over very soon*. SHORT-LIVED

(18) I prefer men who *have no beard or moustache*. ARE CLEAN-SHAVEN

**Cambridge English Empower Upper Intermediate Student's Book** Adrian Doff, Craig Thaine, Herbert Puchta, Jeff Stranks, Peter Lewis-Jones, 2015-02-12 Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Upper Intermediate Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills alongside video filmed in the real world. Each unit ends with a consolidation of core language from the unit and focuses on writing within the context of a highly communicative mixed skills lesson. This version of the Student's Book does not provide access to the video assessment package and online workbook. A version with full online access is available separately. *Language Functions Revisited* Anthony Green, 2012-05-03 Introduction to the theoretical and empirical bases for the definition of language learning level in functional Can Do terms for the English Profile Programme. **English Teaching Forum**, 2000. **Oxford EAP Upper-intermediate/ B2 Student Book** Edward de Chazal, John Hughes, 2015-08-13 Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life such as lectures, presentations and textbooks. The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages. Great downloadable resources to support you when using Oxford English for Academic Purposes can be found at <https://elt.oup.com/student/oxfordeap>. **Forum**, 1982. **The Diagnosis of Reading in a Second or Foreign Language** J. Charles Alderson, Eeva-Leena Haapakangas, Ari Huhta, Lea Nieminen, Riikka Ullakonoja, 2014-10-03 The Diagnosis of Reading in a Second or Foreign Language explores the implications of language assessment research on classroom based assessment practices by providing an in depth look at the little examined field of diagnosis in second and foreign language reading. This volume examines the development of second and foreign language reading and how subsequent research findings couched in this knowledge can help facilitate a more informed teaching approach in second and foreign language classrooms. By contextualizing the latest in classroom settings and presenting implications for future research in this developing area of linguistics, this book is an ideal resource for those studying and working in applied linguistics, second language acquisition and language assessment and education. About the NPLA Series. Headed by two of its leading scholars, the series captures the burgeoning field of language assessment by offering comprehensive and state of the art coverage of its contemporary questions, pressing issues and technical advances. It is the only active series of its kind on the market and will include volumes on basic and advanced topics in language assessment, public policy and language assessment and the interfaces of language assessment with other disciplines in applied linguistics. Each text presents key theoretical approaches and research findings along with concrete practical implications and suggestions for readers conducting their own research or

*South African Schooling: The Enigma of Inequality* Nic Spaull, Jonathan D. Jansen, 2019-11-05 This volume brings together many of South Africa s leading scholars of education and covers the full range of South African schooling from financing and policy reform to in depth discussions of literacy numeracy teacher development and curriculum change The book moves beyond a historical analysis and provides an inside view of the questions South African scholars are now grappling with Are there different and preferential equilibria we have not yet thought of or explored and if so what are they In practical terms how does one get to a more equitable distribution of teachers resources and learning outcomes While decidedly local these questions resonate throughout the developing world South Africa today is the most unequal country in the world The richest 10% of South Africans lay claim to 65% of national income and 90% of national wealth This is the largest 90 10 gap in the world and one that is reflected in the schooling system Two decades after apartheid it is still the case that the life chances of most South African children are determined not by their ability or the result of hard work and determination but instead by the colour of their skin the province of their birth and the wealth of their parents Looking back on almost three decades of democracy in South Africa it is this stubbornness of inequality and its patterns of persistence that demands explanation justification and analysis This is a landmark book on basic education in South Africa an essential volume for those interested in learning outcomes and their inequality in South Africa The various chapters present conceptually and empirically sophisticated analyses of learning outcomes across divisions of race class and place The book brings together the wealth of decades of research output from top quality researchers to explore what has improved what has not and why Prof Lant Pritchett Harvard University There is much wisdom in this collection from many of the best education analysts in South Africa No surprise that they conclude that without a large and sustained expansion in well trained teachers early childhood education and adequate school resources South Africa will continue to sacrifice its people s future to maintaining the privileges of the few Prof Martin Carnoy Stanford University Altogether one can derive from this very valuable volume if not an exact blueprint for the future then certainly at least a crucial and evidence based itinerary for the next few steps Dr Luis Crouch RTI      **The Oxford Handbook of Language and Society** Ofelia García, Nelson Flores (Linguist), Massimiliano Spotti, 2017 This book challenges basic concepts that have informed the study of sociolinguistics It proposes a critical

poststructuralist perspective that examines the socio historical context that led to the emergence of dominant sociolinguistic concepts and develops new theoretical and methodological tools that challenge these dominant concepts      **Suggested Books for Indian Schools** United States. Bureau of Indian Affairs,1942      **Resources in Education** ,2001-10      **Applied Mechanics Reviews** ,1971      **Reading in a Second Language** William Grabe,Junko Yamashita,2022-09-08 This updated second edition provides a comprehensive overview of research into reading and how this can be applied in practice

**Canada Immigration 101** Sage Graystone,2024-10-05 Canada Immigration 101 offers a comprehensive guide to navigating the complex process of immigrating to Canada This essential resource explores the country s points based Express Entry system provincial nomination programs and the socio economic landscape awaiting newcomers The book argues that successful immigration requires a strategic approach based on thorough preparation and understanding of the system Readers are guided through the entire immigration journey from assessing eligibility to preparing for life in Canada The book s user centric approach sets it apart providing actionable strategies and decision making frameworks rather than simply listing rules and requirements It draws on official government data case studies and expert interviews to support its arguments while also incorporating unique data visualizations to make complex statistics accessible Canada Immigration 101 strikes a balance between authoritative and approachable writing using clear language and real life examples to engage readers It addresses ongoing debates in Canadian immigration policy such as the balance between economic and family class immigration and the challenges of immigrant integration in smaller communities By presenting these issues objectively the book equips readers with the knowledge and tools needed to pursue their Canadian dream with confidence and clarity

**Scientific and Technical Aerospace Reports** ,1995      **Beginning Hindi** Joshua H. Pien,Fauzia Farooqui,2014-05-01 Beginning Hindi is designed to help first year learners acquire the language by using it in real life situations The book and its accompanying audio files available on the Press website include clear explanations of language structures engaging activities and an organizational format that makes it easy to chart student progress      **Manual of Freshman Class Profiles** College Entrance Examination Board,1963      **The Solicitors' Journal** ,1889      **Cognitive Linguistics in the English as a foreign language classroom** Dorothee Kohl-Dietrich,2018 Cognitive Linguistics takes an experientialist approach towards language emphasizing the centrality of physical experience for cognitive development That is cognition is regarded as embodied and language as part of the human cognitive system is shaped by how human beings interact with their physical and social environment Thus language is usage based and form meaning mappings can be explained and systematized on the basis of their conceptual motivation Despite the pedagogical potential of this theory Cognitive Linguistic applications in foreign language teaching and learning are still in their initial stages and empirical research testing the effect of Cognitive Linguistic teaching approaches in real classroom settings is rather scarce The aim of this monograph is to provide insight into key tenets of the Cognitive Linguistic framework under the premise of their relevance for foreign language pedagogy Empirical

studies are presented focusing on how phrasal verbs can be taught from a Cognitive Linguistic perspective via awareness raising methods Based on statistical analyses and considering individual learner variables such as language aptitude cognitive load and how students evaluated their own learning outcome the author discusses the merits of a Cognitive Linguistic approach to phrasal verbs      **With, Without, Or Against the State?** Michaël Tatham, 2016 This volume analyses and identifies the pattern of interaction between state and sub state EU interest representation in Brussels and reveals the determinants of those patterns
