Their Name Is Today Reclaiming Childhood In A Hostile World:

Their Name Is Today Johann Christoph Arnold, 2015-09 There s hope for childhood Despite a perfect storm of hostile forces that are robbing children of a healthy childhood courageous parents and teachers who know what s best for children are turning the tide Johann Christoph Arnold whose books on education parenting and relationships have helped more than a million readers through life s challenges draws on the stories and voices of parents and educators on the ground and a wealth of personal experience He surveys the drastic changes in the lives of children but also the groundswell of grassroots advocacy and action that he believes will lead to the triumph of common sense and time tested wisdom Arnold takes on technology standardized testing overstimulation academic pressure marketing to children over diagnosis and much more calling on everyone who loves children to combat these threats to childhood and find creative ways to help children flourish Every parent teacher and childcare provider has the power to make a difference by giving children time to play access to nature and personal attention and most of all by defending their right to remain children

The Child's Curriculum

Colwyn Trevarthen, Jonathan Delafield-Butt, Aline-Wendy Dunlop, 2018 All children are born with emotional talent If left untended those talents can wane during the first five years of life The text focuses on children s readiness for learning It addresses the natural joy explicit in children s early conversations and engagement with music and their development through play with both adults and other children

Big Picture Parents Harriet Connor, 2017-01-20 Being a parent in the modern world is tough We are often overwhelmed with fear about damaging our children guilt about our imperfections and confusion about our role Harriet Connor knows these feelings well But hers is not just another parenting book full of shoulds and shouldn ts to make you feel worse Rather she invites you to step back and consider the bigger picture What is the purpose of life and parenthood What are our human limitations How can we cope with our guilt and fear What are our family s values and how do we pass them on What is our family s structure and place within the wider community When she was desperate for answers Harriet Connor turned to the ancient wisdom of her ancestors the Bible She went looking for little pieces of grandmotherly advice but what she found was a grand vision a big picture that made sense of both life and parenthood Whether you are new to the Bible or have read it before you will not regret taking time to reflect on its message which has given comfort and guidance to generations of parents just like you

Contexts for Young Child Flourishing Darcia Narváez, 2016 Contexts for Young Child Flourishing uses an evolutionary systems framing to address the conditions and contexts for child development and thriving Contributors focus on flourishing optimizing individual physiological psychological emotional and communal social community functioning

parenting information out there and the constant pressure to be the perfect parent it seems as if many parents have lost track of one very important piece of the parenting puzzle raising happy kids Parenting today has gotten far too complicated It's never been the easiest job in the world but with all the parenting advice parents are met with at every corner it's hard not to become bewildered It seems that in the past it was a good deal simpler You made sure there was dinner on the table and the kids got to school on time and no one set anything on fire and you called it a success But today everybody has a different method for dealing with the madness attachment parenting free range parenting mindful parenting And who is to say one is more right or better than another How do you choose The truth is that whatever drumbeat you march to all parents would agree that we just want our kids to be happy It seems like a no brainer right But in the face of all the many parenting theories out there happiness feels like it has become incidental That's where The Happy Kid Handbook by child and adolescent psychotherapist and parenting expert Katie Hurley comes in She shows parents how happiness is the key to raising confident capable children It's not about giving in every time your child wants something so they won't feel bad when you say no or making sure that they're taking that art class and the ballet class and the soccer class to help with their creativity and their coordination and all that excess energy Happiness is about parenting the individual because not every child is the same and not every child will respond to parenting the same way By exploring the differences among introverts extroverts and everything in between this definitive guide to parenting offers parents the specific strategies they need to meet their child exactly where he or she needs to be met from a social emotional perspective A back to basics guide to parenting The Happy Kid Handbook is a must have for any parent hoping to be the best parent they can be **A**

Generation Abandoned Peter D. Beaulieu, 2017-04-26 A Generation Abandoned explores the disruptive cultural events especially of the past half century as these have undermined the confidence of the young in themselves and in civil society and finally in our place in the universe The overall theme is the contrast between this sense of abandonment and our inborn and neglected orientation toward personal worth and the common good the natural law Much of what is peddled as social evolution today is shown to be a throwback to darker times The analysis submits to a refreshingly conversational tone but also draws incisively from a very broad pallet of history literature theater theology and simplifying and illuminating anecdotes some of them first hand An early chapter outlines the perfect storm of the 1960s Later chapters expose the word games of the cultural elite the saga of the family through history and now its abrupt erosion and the difference between any meandering arc of history and a more grounded arc of relations our rationalized culture of death versus a flourishing human ecology *Shame Matters* Orit Badouk Epstein, 2021-09-29 Winner of the 2022 Grady Award for Best Edited Book Understanding shame as a relational problem Shame Matters explores how people with support can gradually move away from the relentless cycle of shame and find new and more satisfying ways of relating Orit Badouk Epstein brings together experts from across the world to explore different aspects of shame from an attachment perspective The impact of racism

and socio economic factors on the development and experience of shame are discussed and illustrated with clinical narratives Drawing upon the experience of infant researchers trauma experts and therapists using somatic interventions Shame Matters explores and develops understanding of the shameful deflations encountered in the consulting room and describes how new and empowered ways of relating can be nurtured The book also details attachment informed research into the experience of shame and outlines how it can be applied to clinical practice Shame Matters will be an invaluable companion for psychotherapists clinical psychologists counsellors social workers nurses and others in the helping professions

The Power of Risky Play in the Early Years Zoe Sills, Sarah Watkins, 2025-08-07 Harness the learning Power of Risky Play in the Early Years Now more than ever children need to develop autonomy and decision making skills Too often in Early Years settings opportunities for learning through risky play are missed In this book Zoe Sills and Sarah Watkins support you to overcome the barriers to embedding and allowing space for risky play in your setting Know the value of Risky Play Create a learning environment that encourages and supports Risky Play Feel confident to allow the time and space for Risky Play Develop a better understanding of risk and learning Children know what they need for their bodies and minds Through self directed play children naturally challenge themselves They test their physical and emotional boundaries as part of cognitive and physical development We should be supporting this child led learning in the Early Years not limiting it This book helps you to do this to harness the learning power of Risky Play

No Other Gods Ana Levy-Lyons, 2018-03-06 Ana Levy Lyons a public theologian who is equally at home in secular and religious worlds offers a deeply perceptive reinterpretation of the Ten Commandments for our modern lives The Ten Commandments are a spiritual resource for social justice A politically and spiritually brazen prescription for living the Ten Commandments would turn our world upside down if we actually followed them Far from being only ethical norms on which everyone already agrees or a remnant of a bygone oppressive era the Commandments are actually countercultural practices Today the Ten Commandments are a divisive part of American culture Religious conservatives champion them even if they don't always practice them Religious liberals and the nonreligious may bristle at what they perceive as antiquated moral restrictions But this ancient code still has vital contemporary relevance Rev Levy Lyons explores ways the Commandments bring us meaning illuminate our values and help us navigate through the turbulent waters of social injustice environmental crises and societal inequity No Other Gods looks at each Commandment in new ways moving beyond interpersonal morality to the global economy and our hyper connected age From the first You Shall Have No Other Gods Besides Me Dethrone the Modern Deities of Political Social and Corporate Power to the tenth Do Not Covet Practice Your Liberation You Have Enough You Are Enough and all those in between she underscores how the Commandments can produce a bold spiritual consciousness Whether you are deeply religious or spiritual but not religious learn how the Ten Commandments can guide you to resist injustice heal our earth and find personal dignity amid the free for alls of modern life We don't have to invent a bunch of new practices for a meaningful way to live out our spirituality and

social justice politics says Levy Lyons There is a perfectly good set of ten of them all ready to go with as much progressive firepower as any of us can handle that has existed for some three thousand years *Under-three Year Olds in Policy and Practice* E.
