Schneider,2020-08-18 What if God is not at all what people envision Imagine a powerful energy portal that stretches from one end of the galaxy to another the sustaining reservoir of life for Earth as well as a connected sister world where the ancient deities actually live and breathe What if Satan is actually a renegade thread of this interplanetary gateway and the future of two worlds and three dimensions rests entirely on one single human being s actions When Lan MacCamhail unexpectedly inherits an estate and a multi million dollar legacy overseas he hopes this stroke of good fortune will give him the chance to make a fresh start in Ireland The terms of the mysterious bequeathal however require that he must find an enigmatic amulet before he can claim his rightful inheritance

Loosely based loosely on the Celtic legend of Oisín and Niamh, Lan's saga mirrored by his father's strangely similar story from three decades earlier takes a sinister turn when dark forces intervene. Lan is guided in his quest by the memories of his father, the beautiful Larne attorney Sidney McVie, an ancient shape shifter, and the spiritual guardians of another world. Conceived as a genre spanning mythological fantasy, **UNDER THE FORGOTTEN OAK**'s poetically sensual and pleasingly literary story line will stretch the boundaries of the imagination in a creative philosophical journey that explores the concepts of love, honor, and selfless sacrifice.
