The Gospel In The Setting Of End-Time Events Leonard Philps Tolhurst,2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person s view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

Angels at Pincher Creek Mabel Tupper,2014-07-15 Do miracles like those found in the pages of the Bible still happen today Mabel Tupper didn t think so She was sure that the Bible miracles were true but she didn t think God acted in that way anymore

Then one night at a conference Mabel found herself listening to a little old woman share about some angels who had walked beside her the previous week Mabel tucked that story away in her heart for several years Little by little and then more and more often she heard stories of people who experienced direct answers to prayer in their times of need often through the involvement of angels Each story was carefully filed away By the time Mabel retired she had fat file folders full of stories proving that God still intervenes in the lives of His servants here on earth Angels at Pincher Creek contains many of the stories that filled those folders As you read you will marvel at God's providence and protection in the lives of His children around the globe
