## **Safari Theme Lesson Plan For Infants:**

**Teaching Across the Early Years 3-7** Hilary Cooper, Chris Sixsmith, 2004-11-23 This practical and accessible book explores ways of developing continuity and coherence in children's learning from three to seven years old. It is based around three case studies in which tutors on Initial Teacher Training courses worked with early years practitioners in three different pre-school settings, each linked to a primary school. The book describes how they successfully managed to plan and teach integrated themes across the age range in the context of the requirements of the Foundation Stage and the National Curriculum. Each case study has a different focus: science, design and technology, the arts, including an ICT strand, the humanities, including a physical education strand. English and mathematics dimensions run through each theme. The book is alive with discussion of children's art, language, drama and music, captured as field notes, writing, drawing and as video tape. Each chapter concludes with suggestions of ways in which readers can develop the ideas in their own contexts. This book will be invaluable reading for students on Early Years courses, Early Years practitioners and tutors and mentors in early childhood education. Resources in Education, 2000-04

**365 Toddler Activities That Inspire Creativity** Joni Levine, 2012-11-18 Features 365 activities for toddlers including games, art projects and songs that are intended to foster creativity, stimulate cognitive development and encourage inventiveness. *Party Ideas : Give Someone... THE BEST DAY ...of Their Life : Reward Yourself By Rewarding Others* Trina McDougall, 2012-09-01 Includes 20 theme days of how to make an amazing day for someone special with easy step-by-step instructions of pure fun on a shoe-string budget that can last all day long. An ideas extravaganza feast. With individual tastes catered for and some real-life examples that have been tried and tested. The heart of this book unfolds the reward that comes when one takes action to bless others. What a THRILL. When a dear one has said Trina, you gave me THE BEST DAY of my life. This thrill is not only sharing that experience with them but in creating such a day is absolutely incredible. This thrill is too precious to not encourage others to do the same and provide principles, avenues, tools and practical help. The ideas can be adapted to suit unique situations and promote the experience of rewards that come when reaching out and doing something for someone else. Encouraging fulfilment to the precious thing that we call LIFE. The Methodist Woman, 1952
