Playing War Matthew Thomas Payne, 2016-04-05 Explores the culture that made military shooter video games popular and key in understanding the War on Terror No video game genre has been more popular or more lucrative in recent years than the military shooter Franchises such as Call of Duty Battlefield and those bearing Tom Clancy's name turn over billions of dollars annually by promising to immerse players in historic and near future battles converting the reality of contemporary conflicts into playable experiences In the aftermath of 9 11 these games transformed a national crisis into fantastic and profitable adventures where seemingly powerless spectators became solutions to these virtual Wars on Terror *Playing War* provides a cultural framework for

understanding the popularity of military themed video games and their significance in the ongoing War on Terror Matthew Payne examines post 9 11 shooter style game design as well as gaming strategies to expose how these practices perpetuate and challenge reigning political beliefs about America s military prowess and combat policies Far from offering simplistic escapist pleasures these post 9 11 shooters draw on a range of nationalist mythologies positioning the player as the virtual hero at every level Through close readings of key games analyses of marketing materials and participant observations of the war gaming community Playing War examines an industry mobilizing anxieties about terrorism and invasion to craft immersive titles that transform international strife into interactive fun

The Best Service is No Service Bill Price, David Jaffé, 2011-09-14 In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences
