Martin E. Latz, 2004-05-10 Martin Latz's *Gain the Edge* is the best book I've ever read on negotiation strategy. If you negotiate for a living or only occasionally, Latz gives you the tools and tactics to succeed before you sit down at the table. Whether it's negotiating Randy Johnson's contract or the purchase of your next car, *Gain the Edge* is clear, concise, and unfailingly useful. Jerry Colangelo, Chairman and CEO, Arizona Diamondbacks and Phoenix Suns: There's always more to learn about negotiation. That one new strategy or tactic you gain from this book may make the difference between your walking away a winner and leaving empty-handed. The margin of difference can be infinitesimal, yet the ramifications are often huge. Negotiating a new salary. Buying a car or a house. Closing a deal with a big client. Discussing where to vacation with your spouse. We negotiate every day. Yet most of us negotiate instinctively and don't give the process the strategic attention it deserves. We suffer as a result. Now negotiation expert Martin E. Latz reveals an easy-to-use strategic template you can use in every negotiation. This is not ivory tower advice or advice just based on instincts and experience. The tactics and techniques here come from the most up-to-date research and the knowledge Latz has developed in negotiating on the White House Advance Teams from consulting with top executives at Fortune 500 companies and law firms nationwide and from teaching thousands of business professionals and lawyers how to negotiate more effectively. The result is a comprehensive guide that takes you all the way from general strategies and principles (Latz's Five Golden Rules of Negotiation) to specific tips, techniques, and even phrases you can use at the table. *Gain the Edge* will arm you with practical strategies to get the information you need before you sit down at the table. Tactics to maximize your leverage when seemingly powerless. Secrets to success in emotionally charged negotiations. A step-by-step system to design the most effective offer/concession strategy. Ways to deal with different personality types, ethics, and negotiation games. Specific advice on how to negotiate for your next salary, car, or house. Negotiating tips for other business and personal matters. Leave behind instinctive negotiating and its inherent uncertainties. Learn to negotiate strategically. Easy to understand and instantly applicable to real-life situations. *Gain the Edge* is the ultimate how-to guide for anyone looking to master this critical subject. [Life Is an Adventure](#) Beth Dayley, 2025-07-26 *Life Is an Adventure* illustrates eighty years of adventure in a memoir by Beth Dayley. Her memoir shows her endeavors to live life to the fullest wherever she lived, whether on the Big Island in Hawaii in the 1970s, in Southern Alabama at the Army Aviation Center in the 1980s, or learning a foreign language in Northern Italy during the Cold War where her husband served as the operations officer for Southern European Task Force, everything military south of the Alps. Whether exploring ancient cliff dwellings in Eastern Utah as a child to being a teen during the 60s to being a cultural outcast when her husband served two tours of Vietnam to finding her teenage son who had hopped a train by himself when they lived in Italy, Dayley has always kept her head on straight and laughed at life as she negotiated the journey of life. Whether driving through the rain across Europe to graduate from the University of Maryland Global Division at the University of Heidelberg
