SCM Studyguide: Anglicanism Stephen Spencer, 2021-03-08 The SCM Studyguide to Anglicanism offers a comprehensive introduction to the many different facets of Anglicanism Aimed at students preparing for ministry it presumes no prior knowledge of the subject and offers helpful overviews of Anglican history liturgy theology Canon Law mission and global Anglicanism As well as offering updated and improved lists of further reading this second edition brings a greater emphasis on worldwide expressions of Anglicanism with more examples taken from Asian and African contexts and a brand new section which considers the rise of the global communion alongside issues of inculturation and indigenisation **SCM Studyguide Church History** Stephen Spencer, 2013-08-30 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed The intended readership will be those training for ministry in English speaking churches so the studyguide will concentrate on those aspects of this subject of most relevance to this group This means there will be greater attention to developments in the West than in the East especially in later centuries and to topics such as the nature of ministry the sacraments places of worship authority in the church and mission These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book Each chapter will also contain a specific case study presenting extracts of some key documents with notes commentary and questions for discussion to allow readers to develop skills in historical research General discussion questions and reading lists will be provided at the end of each chapter The final chapter will provide guidance for the study of the history of the student's own church and community **SCM Studyguide: Christian Mission** Stephen Spencer, 2014-04-15 Explores the nature of Christian mission in contemporary post modern society This book examines the main historic types of mission in the

Christian tradition seeing how they were forged in the cross currents of history and how they continue to be expressed by different Christian communities **SCM Studyguide: Church Leadership** Jon Coutts,2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church **Hit List** Brian G. Hedges,2014-11-01 The Christian life is a war and one of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we've been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In Hit List Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ **Seated** Donna Gaines,2014-02-27 Too many Christians go through life unaware of the riches we have in Christ Discovering these blessings is the first step to living them out in daily life Written for women the 8 sessions of this Bible study of Ephesians will help you and your group explore who God created you to be how you can have relationships filled with the Holy Spirit and what you can do to take charge of your thoughts and emotions **Killing Calvinism** Greg Dutcher,2012-06 Are we actually living the message of grace When a corrective like this comes from within a movement it is a sign of health John Piper Something wonderful is happening in Western Evangelicalism A resurgence of Calvinism is changing lives transforming churches and spreading the gospel The books are great the sermons are life changing the music is inspirational and the conferences are astonishing Will this continue or will we who are part of it all end up destroying it

That depends on how we live the message As insiders of the Calvinist resurgence there are at least eight ways we can mess everything up Learn what they are and how to avoid killing off a perfectly good theology **Grace Is Free** Marci Preheim, 2014-03-01 What Does Godly Look Like A great treason is infiltrating the Christian world today The gospel is meant to set people free but instead it has been subtly tainted by the enemy False teaching has slipped in virtually unnoticed but its effects are deadly To do lists competition even with spiritual disciplines and extra rules have enslaved women to self righteousness instead of leading them to Christ s righteousness Disguised as helpful tips for women this distortion robs Christian women of intimacy with each other and labels them as godly for what amounts to human effort and worldly success Many people view this competition for godliness as striving for excellence After all what man doesn t want a woman who is zealous to be the best homemaker mother and wife But if organization and domestic genius were prerequisites for godliness then Martha Stewart would be one of the godliest women in the world The truth is when women spend more time trying to appear godly rather than actually being close to God there can be no other motive than a desire for approval from people rather than from God himself Grace Is Free unmasks this false gospel and the bondage to people s approval that comes with it It attempts to realign perspectives and help women understand how to rest through faith in what has already been accomplished through Jesus Christ The true gospel is received through faith not activity For in the gospel a righteousness from God is revealed a righteousness that is by faith from first to last just as it is written The righteous will live by faith Romans 1:17 **The Two Fears** Chris Poblete, 2012-04 You can fear God or everything else Fear wisely Most Christians will agree that we ought to love our God But what about fearing God The Bible says that the fear of the Lord is the beginning of wisdom Proverbs 9:10 yet a broad survey of modern evangelicalism reveals that the fear of God is hardly regarded as such anymore Many Christians seem to wrongly assume that the gospel of grace trumps the fear of the Lord Yet it is only the God of the gospel who is truly worthy of our reverential fear The purpose of this book is to equip Christians with a healthy view of fearing God and to illustrate how it reconciles with the gospel of God s grace to sinners After They Are Yours Brian Borgman, 2014-10-01 Adoption offers a powerful testimony of grace in a world of unwanted pregnancies and on demand abortion But no one said adoption is easy As an adoptive parent and pastor who has counseled many adoptive parents Brian Borgman knows there is another side to adoption that we are often reluctant to talk about Parenting is always a challenge but parenting an adopted child can have some special challenges Adoptive parents can experience much heartache and even guilt with their adopted children Many suffer in silence Borgman writes with a burden to minister to those who are struggling After They Are Yours The Grace and Grit of Adoption talks transparently and redemptively about the often unspoken problems adoptive parents face Combining personal experience biblical wisdom and a heart for people Borgman recalls the humbling and difficult lessons God has taught him and his wife This is not a success story rather it s a story of struggles and failures set in the broader context of a God who is gracious and continually teaches us the meaning of adoption

Inheritance of Tears Jessalyn Hutto, 2015-03-01 When a woman becomes pregnant miscarriage is usually the furthest thing from her mind Such was the case for Jessalyn Hutto when she became pregnant with her first baby But as is all too common in our post fall world the life she carried came to an abrupt end Death had visited her womb and the horrors of miscarriage had become a part of her life s story Ultimately she would lose two children in the womb at 6 and 15 weeks gestation Through these painful losses a whole new world of suffering opened up to her It seemed that everywhere she looked women were quietly mourning the loss of their unborn children Yet this particular type of loss has been grossly overlooked by the church Couples navigating the unique sorrow of losing a child are often left with little biblical counsel to draw upon Well meaning friends and family often offer empty platitudes and Christian clich s But what these couples truly need is the hope of the gospel Short sensitive and theologically robust *Inheritance of Tears* offers hope and comfort to those who are called to walk through the painful trial of miscarriage and shows pastors and church members how to effectively minister to these parents in their time of need

Torn to Heal Mike Leake, 2013-05-01 God is radically dedicated to our ongoing growth in spiritual maturity and holiness This is both glorious and terrifying It is glorious because the Lord of heaven and earth is for us But it is terrifying because we are idolaters This means that when God brings greater redemption into our lives he also brings a death sentence to our fallen desires In love God will do whatever it takes even tearing us to shreds if necessary to replace our feeble pleasures with lasting desire for himself Sadly in our culture two false responses to suffering have become deeply embedded in the Church deadly dualism and shallow stoicism Each can effectively hijack God s good purpose in suffering *Torn to Heal* equips us to understand and reject these false and self defeating approaches to suffering and to embrace God s good purpose in our trials

The Company We Keep Jonathan Holmes, 2014-09-01 Friendship This one word can mean a hundred different things to each person We all want friends but often struggle to develop meaningful friendships Does the Bible speak to and present a vision and theology of biblical friendship Is there anything unique about biblical friendship

Broken Vows John Greco, 2013-09-01 There was never supposed to be a post marriage period of my life says John Greco He had just accepted his dream position as a church pastor when his wife announced she was divorcing him In a few short weeks his marriage ended and his career plans unraveled He was hurt angry and felt abandoned by God Marriage is supposed to be for life but divorce still happens How can a Christian reconcile the reality of divorce with the biblical view of marriage How can the wronged spouse forgive And how can God still be good when bad things happen In *Broken Vows* Divorce and the Goodness of God Greco doesn t offer pat answers In the initial aftermath he says one must simply grieve There is a period after a devastating loss when a soul is unable to take in words of healing he says These are the moments not to look for answers or try to find any sort of good in the situation but to pour yourself out to Jesus *Broken Vows* combines Greco s personal story with a biblical view of suffering He provides pastoral help for those who have experienced divorce and gives all Christians a way to think biblically about this difficult subject

Dr. Martin Luther

1483 - 1546 W.O. Loescher, 2018-09-10 This book describes how God who wants all people to be saved installed the 16th century major Reformation into world history God trained gifted and protected Martin Luther to serve as leader for this reformation This book also sets forth another major purpose that was needed for true reformation namely a reliable translation of Holy Scripture from its original languages into the common language of the people Luther and his co workers worked diligently for two and a half decades to finish their fourth edited copy by 1545 Since Luther and his followers were sentenced as unforgivable heretics by both the Roman Church and the major secular universal government the reformation team was working under strong duress But God kept protecting them through the small provincial government of Electoral Saxony who kept insisting that Martin must receive a fair trial **The Reformation Review** ,1971
