Alfred Hermann Fried Petra Schönnemann-Behrens, 2021-11-15 Petra Schönnemann-Behrens provides an informative review of the life and times of Alfred H Fried 1864 1921 a significant if underappreciated German pacifist of the late nineteenth century and early twentieth century In response to the militarism and international anarchy of the European states Fried developed his unique notion of revolutionary or scientific pacifism differentiating it from reform pacifism in order to address the material causes of war As theorist practitioner and journalist Fried advanced radical ideas at the time the formation of a pan European union the establishment of an effective international court of arbitration the elimination of a secretive diplomatic class and the expansion of international economic and cultural cooperation This book is a translation of the German biography Alfred H Fried Friedensaktivist Nobelpreistr ger published by R merhof Verlag in 2011 and commemorates the 100th anniversary of Fried s death **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1969 **Berlin Bodies** Stephen Barber, 2017-03-15 The capital of Germany and home to 3 5 million people Berlin has

one the most fascinating histories in all of Europe At end of the nineteenth century it rapidly developed into a major urban center and today it is a site where the scars of history sit alongside ultra modern urban developments It is a place where people have figured in an especially intimate relationship with the wider fabric of the city in which bodily interaction has been an important aspect of day to day urban life In this book Stephen Barber offers an innovative history of the city one that focuses on how the human body has shaped the city s very streets Spanning the twentieth century and moving up to today Barber s book offers a unique account of Berlin s development He explores previously neglected material from the city s audio and visual archives to examine how people interacted with the city s streets buildings squares and public spaces He recounts a history of riots ruins nightclubs crowds architectural experiments citywide spectacles film art and performances showing how these human forces have affected the structure of the city Through this innovative approach Barber offers a new way to think about modern urban spaces as corporeal spaces and how people exert a cumulative effect on cities over time

Memory of the West Reyes Mate,2022-02-22 This book looks back in order to look forward It is a sustained reflection on the great disillusion Europe experienced after World War I Europeans understood that bombs had buried the Enlightenment They knew that to avoid catastrophe they had to think anew The catastrophe came but Cohen Benjamin Kafka and Rosenzweig had sounded the warning
