Nikon Sb 910 Flash Manual:

Mastering the Nikon Darrell Young, 2013-03-22 *Mastering the Nikon D600* by Darrell Young provides a wealth of experience based information and insights for owners of the new D600 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step by step setting adjustments, color illustrations, and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions while feeling as if a friend dropped in to share his knowledge. The learning experience for new D600 users goes beyond just the camera itself and covers basic photography technique.

An Introduction to the Nikon Creative Lighting System Alan Hess, 2013-12-18 The most important aspect of capturing a quality image isn't the camera you use, the aperture settings, the shutter speed, or the ISO; it's the light. With this ebook, you will learn how to enhance the light in your images by using the Nikon Creative Lighting System (CLS), which allows you to easily take great photos with natural looking light using a flash, either on or off camera. You'll learn how to wirelessly control the amount of light of the remote flashes right from the camera, control an unlimited number of flashes, and use the flashes in up to three different controllable groups. If you have a relatively recent model of a higher end consumer Nikon camera and a Speedlight, chances are you are ready to go. Follow along with Alan and you will learn your way around all the components of the CLS system, including cameras, flashes, and flash accessories. Develop an understanding of flash photography and learn the basics of getting the best results using Basic Flash, Fill Flash, and Sync Modes. Master the mechanics of setting up multiple flashes to build up the light in an image. Explore advanced flash setups, learning to control an unlimited number of remote flashes and work with more complex lighting setups.

Mastering the Nikon COOLPIX A Darrell Young, 2013-11-28 *Mastering the Nikon COOLPIX A* by Darrell Young provides experience based information for owners of the new COOLPIX A camera. In this ebook, Darrell helps the user navigate past the confusion that often comes with learning to use complex camera equipment. This ebook explores the features and capabilities of the camera in a way that far surpasses the user's manual. It includes an in depth look at the camera's controls and functions. It guides readers through the camera features with step by step setting adjustments, color illustrations, and detailed explanations for each option. Every button, dial, and menu configuration setting is explored in a user friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions. In this new COOLPIX A manual, Darrell provides information on the camera's functions as well as basic photography techniques as part of the complete learning experience.
