A Novel* Anthony Trollope, 2025-07-10 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Novel Competition* Evan Brier, 2024-04-16 *Novel Competition* describes the literary and institutional effort to make the American novel matter after 1965 During this era Hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades This trans media competition Brier argues is a crucial but largely unacknowledged event in the literary and economic history of the American novel In the face of it the novel lost some of the symbolic specialness it formerly held That loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors *Novel Competition* shows how fiction's declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity *The Novels of Josefina Aldecoa* Nuala Kenny, 2012 The first comprehensive analysis of the novels of prominent contemporary Spanish writer and educator Josefina Aldecoa Josefina Aldecoa in her treatment of themes such as a woman's place in society under and after dictatorship mother daughter relationships war and memory confirmed her unique role as a contemporary novelist concerned with

women's identity in Spain and as a writer of the mid-century generation *los niños de la guerra*. The first volume of her trilogy *Historia de una maestra* was one of the earliest narratives of historical memory to be produced in Spain. In this sense Aldecoa's work anticipated new developments in gender studies such as the intersection of feminist concerns and cultural memory. This book offers a comprehensive examination of Aldecoa's trajectory as a novelist from *La enredadera* to *Hermanas*, centring on her primary preoccupations of gender and memory, arguing that Aldecoa's fiction offers a new, more complex understanding of women's identity than previously understood. The work combines the two dominating theoretical components of feminism and cultural memory with close textual analysis of Aldecoa's narratives. Her novels highlight the importance of the details of women's daily experiences and struggles throughout the twentieth century, a period of significant socio-political upheaval and change in Spain's history. NUALA KENNY teaches Spanish at the National University of Maynooth, Ireland. **No Love Lost: A Small-Town Second Chance Romantic Suspense Novel** Jemi Fraser, 2024-08-20

He didn't even know what he'd lost. Heath Wilcox followed the family footsteps into the military and then into a financial career. Unlike his family, his goal isn't just to make money; it's to find someone to make a life and a home with. But the woman he wanted didn't want him back. Then he arrives in a town named Phail to find that absolutely nothing he believed is true. Now he has to do everything to protect the family he never knew he had. *No Love Lost* is the fourth book in Jemi Fraser's No Fail Heroes romantic suspense series. Each of these small-town romances can be read as a stand-alone, although they are best enjoyed in order. The book contains some strong language and sexy times. Enjoy the read. Novels in the Time of

Democratic Writing Nancy Armstrong, Leonard Tennenhouse, 2018-01-19. In the decades after U.S. independence, American novelists carried on an argument that pitted direct democracy against the representative liberalism they attributed to their British counterparts. The result was an American novel distinguished by its use of narrative tropes that generated a social system resembling today's distributed network. *The Life of the Author: Graham Greene* Andrew James, 2025-11-03

Exploring the creative mind of Graham Greene, a metafictional study of a literary icon, Graham Greene's novels offer more than gripping narratives; they are a window into the author's creative obsessions. *The Life of the Author: Graham Greene* presents a groundbreaking study that unveils the intimate connection between Greene's life and work, using metafictional analysis to reveal the evolution of his views on authorship and storytelling. Moving beyond conventional critical interpretations, literary scholar Andrew James invites readers to discover how Greene saw himself within his fiction and how his self-perception shaped his literary masterpieces. Written with both depth and accessibility, this illuminating book delves into Greene's disciplined creative process, his struggles with self-doubt, and his playful yet profound engagement with the craft of writing. Organized thematically, *The Life of the Author* focuses on Greene's post-1940 works, where his identity as a writer solidified, making his novels rich with autobiographical undertones. Throughout the text, James offers new insights into Greene's novels while connecting recurring themes to his personal and creative growth. An innovative exploration of one of

the twentieth century's most enigmatic authors *The Life of the Author* Graham Greene Examines Greene's novels through the lens of metafiction to offer a fresh perspective on his craft Presents detailed literary analyses that reveal the self-reflective nature of Greene's storytelling Focuses on Greene's authorial identity tracing his growth as a writer from neutral observer to committed advocate Concentrates on Greene's major novels while avoiding exhaustive academic overviews to promote independent critical discovery Discusses the metafictional significance of Greene's novels and entertainments Enriching appreciation for Greene's artistry while exploring metafictional approaches in literary biography *The Life of the Author* Graham Greene is ideal for university courses in 20th century British literature biography and literary theory particularly at introductory and intermediate levels Scholars students and avid readers of Greene will find it an invaluable resource for understanding the interplay between an author's life and their creative output **Studies and Essays on Romance**

Life at the Wheel Lynne Sharon Schwartz,2024-01-16 In this collection of impeccably written essays Schwartz tells us early on that she never thought of her life as a continuous line but rather a series of intertwined interrupted experiences Hers is a life that has been bumped tumbled and smoothed by an endless stream of travel fascinating people and books writing them pondering them translating them Her essays range from musings about the art of translation the tribulations of major surgery dissected with biting wit a quest for recovery from the 9 11 attacks at a music school and hours spent with friends arguing drinking and smoking in a neighborhood bar Her personal narratives range from humorous childhood an 8 year old writer and troubled revelations to learning to be an adult facing the difficulties of simultaneously writing and raising children We see her as a daughter struggling to understand her parents through adolescent eyes a mother startled at the all consuming demands of motherhood and writing and as an older adult grappling with mortality Throughout she is painfully honest funny and unafraid of difficult truths Relentlessly candid subjecting herself to her own sharp scrutiny Schwartz is willing to confront the confusions of maturing in a changing world **Khatru Symposium: Women in Science Fiction**
