

The background of the cover is a dramatic, dark landscape. A jagged, white lightning bolt strikes down from the top left corner, hitting a dark, rocky outcrop in the center. The impact of the lightning creates a bright, fiery explosion of orange and yellow light at the base of the bolt. The sky is a deep, moody blue with swirling clouds. The overall tone is mysterious and intense.

Justice,2019-10-06 Jillian Hart didn't belong in our world. She was an innocent blinded to our ways and seduced by the charm of the mafia. I was a capo in the Marchetti Family, groomed to take control one day, and my father was the Boss, the Don. Damon Marchetti was a well-known name in the mafiosi. We never would've crossed paths if not for a fender bender with the wrong truck on the expressway. After escorting her to the emergency room as a precaution, I discovered she had business ties to a rival family. Simply being seen with me put her in jeopardy, so I kept her close for her own safety. But one thing led to another, and she became more than my charge. I gave her one warning about my life: One chance to decide to stay or leave. She chose to stay. Until all hell broke loose. Then I pushed too hard, and my ever-present alter ego took control. If she thought I gave up easily when the chips were down, she had another warning coming. **Wicked Shadows** A.D. Justice,2019-12-08

Devon Shadow Kane chose a life of anonymity the moment he entered the clandestine world of the CIA. His training made him a killer, a skill he had no qualms using. The younger sister of his childhood friend was far from the girl next door. She was also the one he couldn't have. The bright flash bulbs in her celebrity world were at odds with the stealth and invisibility required in his. Then she disappeared without a trace. The stakes were high, but Shadow would risk his all for her. The only sure bets were the threat of blowing his cover and the likelihood he wouldn't reach her in time. Saving Grace A.D. Justice, I wanted to ask for a divorce. Instead of the fight I expected, she agreed with a few stipulations, all of which revolved around our son leaving for college in the fall. Keeping those promises would be a challenge, no doubt. But all I had to do was uphold my end of the deal, then walk away without a backward glance. Somewhere along the way, our charade became my reality. With each day that passes, I realize time is once again my enemy. I can't lose her a second time. I'll never walk away; she healed my soul. Saving Grace is now my only hope. OMINOUS A.D. Justice,2019-11-06

This collection contains the three books in the Warning Trilogy: The Vault Series. An innocent small-town Louisiana girl. A ruthless New York City mafia capo. A chance encounter in an unlikely event. They say opposites attract. But in the ruthless mafia world, that combination can be deadly. Especially when the person lying next to you is keeping secrets. **Warning Part One**: Jillian Hart didn't belong in our world. She was an innocent blinded to the ways and seduced by the charm of the mafia. On the other hand, I was a capo in the Marchetti Family, groomed to take control one day, and my father was the boss, the Don. Damon Marchetti was a well-known name in the mafia world. We never would've crossed paths if not for a fender bender with the wrong truck on the expressway. One thing led to another, and she became more than my charge. I gave her one warning about my life: One chance to decide to stay or leave. She chose to stay. Until all hell broke loose. Then I pushed too hard, my ever-present alter ego took control, and I lost her. But if she thought I gave up easily when the chips were down, she had another warning coming. **Warning Part Two**: Jillian didn't heed my warning, but then neither did I. She didn't know her life was still in danger or that her every move was being watched. Convincing her that she needed my protection required all my resources. Even then, she didn't want me around. Making her fall in love with me again would be nearly impossible. But I'm Damon Marchetti, and I don't know how or when to
