Willing Conquests Three Tales Of Dark Elves:

Willing Conquests: Three Tales of Dark Elves Danica Slate, 2014-09-03 This corrupting collection contains three fantastic tales of light elf on dark elf encounters interracial seduction and dungeons filled with leather chains whips and more These ivory skinned maidens are about to learn just what twisted things their ebony cousins do for fun and pleasure Contains over 17 000 words of the following stories 1 Yielding to the Dark Elves Amongst the fair elves of the surface world the Dark Elves are spoken of only in whispers Twisted tortured lost souls they had once been as good as the surface elves but long ago forsook the sun and descended to the depths of the underworld to bask in decadance and sin Alyss didn t believe a word of it She would not admit to her family but she harbored a fascination for the Dark Elves and their candid unabashed ways And so it was a secret rush of pleasure that she descended into the depths of their kingdom cuffed and bound the first to be allowed passage from the upper realms in many a year She knew she wasn t supposed to submit so easily to give herself up to the pleasure of being bound and bent to their twisted will but it was only way to be allowed into their city At least that s what she told herself 2 Enchanted Seducing the Dark Elves The Elven Enchantress Reilena is one of the few living sorcerors who harvest sexual energy and channel it into dark and powerful magicks that bewitch the mind and beguile the body When she and her lithe young apprentice Kat descend into the underground to recover a powerful artifact their dangerous journey quickly turns to lovemaking But soon their passions are interrupted by an unexpected foe a cadre of dark elves twisted and wicked foes of the surface elves who take them captive and submit them to their bidding Reilena is enthralled by these strange and deviant beings and sets out to bend them to her will in the only way she knows how through a combination of her dark magicks and the powers of her own flesh 3 Touched by Night A Dark Elf Fantasy Alanna in a High Elven scholar who has studied the strange ways of the Dark Elves for over a century But the uneasy peace between their people is shattered when the elf maiden is taken prisoner by her dark and twisted brethren Alanna has long studied their forbidden practices spent many long nights absorbed in contemplation of their sexual rites and proclivities She shows the rumours the whispered tales knows them so well she dreams of them sometimes Always in the past she was herself the captive trapped far beneath the earth waiting with bated breath and trembling anticipation for her twisted captors to come for her Much as she is now

Web of Desire Danica Slate, 2015-01-07 The ancient Sorcerer Demart has found his rebellious son the perfect fertile young bride to carry on his bloodline The only problem is that neither the bride nor the groom want anything to do with one another In secret each of them has taken a fae lover members of the mysterious forest people known as Woolgatherers Together with their magical lovers the betrothed couple hatch a plan to counteract the old wizard s wedding plans There s only one problem in order to fool the powerful sorcerer they re going to need to switch bodies and the wedding ceremony isn t over until the marriage has been consummated Put your arms around me Tyall whispered against her ear Kara did so and nestled into the crook of her neck The woolgatherer continued to murmur A warm wind kicked up around them swirling

leaves up from the earth and fluttering against their skin Black and red hair swirled into tangles together The human woman clung tighter as a strange dizziness overtook her She began to lose her sense of balance as her stomach fluttered into her throat All she could hear now was the sound of Tyall murmuring her strange song She gasped as the world lurched around her For several moments it felt like she was falling through the air turning over and over without purchase until suddenly she jolted back to solid ground again Oh she cried out and pulled back from the embrace Her heart was racing and her vision swam The world felt different Sounds were sharper smells clearer A naked figure stood before her that of a short slim muscled woman with black hair and a steely hazel eyed gaze She was staring at herself Kara broke out in amazed laughter Terren smiled wider from his position at the edge of the circle Aidan turned back around annoyed and curious Tyall in Kara s body picked up the discarded nightgown and pulled it back on She stretched acclimating to the new body Hmm she murmured thoughtfully then wagged a long finger at Kara who stood uncertainly in Tara s lithe tanned body It would seem Demart didn t choose an untouched woman for his son What How do you know that Kara s skin turned darker in a blush She looked to Terren who shrugged I see Tyall s laugh was like a bell as she winked at other woolgatherer You worked faster than I expected She walked toward a bewildered Aidan and wrapped her arms around his neck He was still thrown that the woman who had previously hated the sight of him was now in his arms Don t pull away from me my love she laughed We are to be married How How long will this last he asked between kisses You re suddenly so shy It s adorable Don t get too friendly with my body Kara frowned with Tyall s full red lips Well the same goes for you kitten I m going to have to ask you to keep away from your little lover boy here until this business is finished Though I understand that may be rather difficult for you to manage the disguised woolgatherer winked at her and glared purposefully at Terren who looked so chagrined that Kara almost laughed out loud Kara had never realized her glare was so effective until seeing it in action Maybe she d go out of her way to make Tyall eat her words
