**From Standards to Rubrics in Six Steps** Kay Burke, 2006-04-12 a focused approach to increased student achievement. It's a phenomenal resource. Eileen Depka, Author, *The Data Guidebook for Teachers and Leaders*. For teachers and administrators, this is just what the doctor ordered. This process will engage teachers in assessment just as it helps them engage students in their own learning. This book should be in the hands of every teacher. Ron Nash, Organizational Development Specialist, Virginia Beach Public Schools, VA. The book gives great references to the latest in research and ties this information together in a wonderful step-by-step format. Kay Burke hits a grand slam. Richie Wood, Professor, Trevecca Nazarene University. Use proven practical tools to successfully translate standards to rubrics. Internationally recognized assessment expert Kay Burke offers a practical comprehensive six-step walk-through of how to create tasks that promote learning for all students and write rubrics linked straight to the requirements of state standards and the No Child Left Behind Act. Individual chapters drill deep into the how-to of translating standards into essential learning. Burke demonstrates how to build a performance task unit as the ideal curriculum framework for clustering standards and differentiating instruction within a single cohesive unit of study. She shows how to share checklists and rubrics with students for ongoing formative and self-assessment. Teachers and administrators will find everything they need, including: Templates for all six steps along with an accompanying CD-ROM; Tools and tips to help teachers build their own tasks, checklists, and rubrics; Theory, examples, applications, and explanations to help apply the six-step process; Guidance for differentiating for special needs within standards-linked tasks; Sample tasks, rubrics, and units. *From Standards to Rubrics in 6 Steps* provides the path and tools for flow-through from standards to rubrics to high student achievement.
