Science Scripture And Same Sex Love:

Science, Scripture, and Same-sex Love Michael B. Regele, Mike Regele, 2014 What science and the Bible say about same sex love Dignity, Dogmatism, and Same-Sex Relationships Gilbert Rossing, 2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights Dignity Dogmatism and Same Sex Relationships provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community **A Pastor's**

Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley, 2021-10-29 David Brooks wrote in The Second Mountain A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands

Respectful LGBT Conversations Harold Heie, 2018-05-14 In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues this book models a redemptive mode of engagement by featuring respectful conversations among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions **The Way Forward?** Timothy Bradshaw, 2003 The homosexuality issue is the most pressing dilemma currently facing the churches Recent controversial church appointments in

Britain and America have sparked intense argument and there has been virtually no sign of real dialogue or developing debate This important and timely book sets out the full range of Christian responses to this critical issue and offers mature and informed contributions from key figures on all sides of the debate A vital resource for theological reflection and continuing discussion this second edition of *The Way Forward* will be crucial reading for all who are concerned for the issues at stake and for the future and integrity of the churches today

A Place at His Table Joel Hollier,2019-08-19 Across the world navigating the terrain of sexuality is becoming increasingly difficult People on all sides of the discussion agree that so much is at stake but how do we move forward Into a confusing and often painful debate *A Place at His Table* offers clarity insight and warmth Holding firmly to the Bible Joel Hollier leads us in a journey where we can re examine traditional understandings ask fresh questions and enter a place of welcome for all people in God s church Whether you are a leader pastor or congregation member who is seeking to love well this timely book will equip you to enter the discussion in faithful informed and nuanced ways

Mama Bear Apologetics Guide to Sexuality Hillary Morgan Ferrer,2021-10-05 Raise Them to Value God s Design Starting at a young age kids are being fed damaging misinformation about sexuality gender identity and human biology As a parent it s up to you to help your children understand God s truth about these integral concepts in the face of the candy coated lies that saturate today s world In the footsteps of the bestselling *Mama Bear Apologetics* comes this invaluable guide to training your kids to know and respect God s design in a world that has rejected it This book will equip you to understand God s design for gender sex marriage and family as a beautiful portrait that reveals the nature of God Himself identify the tactics being used to trick children into adopting an unbiblical view of sexuality under the guise of Christian sounding words like love identity tolerance and justice teach your kids to treat those who hold different beliefs with gentle Christlike compassion without compromising biblical values As society continues to blur the lines of what is good true and acceptable God s standards remain clear and unchanging This book will give you the wisdom to confidently raise your children to understand sex and gender through a biblical lens

End of Story? Andrew Perriman,2019-11-12 This book is an exercise in a thoroughgoing narrative theology The social and legal validation of same sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture But it is not an isolated ethical problem It is just one element albeit a very important one in the much broader long term overhaul and reorientation of Western culture after the collapse of the Christian consensus The forces of history that are driving this transformation however have also alerted us to the historical perspectives that constrained biblical thought Andrew Perriman suggests that Paul s argument about same sex behavior perhaps more clearly than any other issue highlights the narrative shape of the mission of the early church in the Greek world By the same token we must ask how that storyline has been refracted across the boundary of modernity and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world

Marie Vigen, 2023-12-11 *God Sex Science Gender An Interdisciplinary Approach to Christian Ethics* is a timely wide ranging attempt to rescue dialogues on human sexuality sexual diversity and gender from insular exchanges based primarily on biblical scholarship and denominational ideology Too often dialogues on sexuality and gender devolve into the repetition of party lines and defensive postures without considering the interdisciplinary body of scholarly research on this complex subject This volume expands beyond the usual parameters opening the discussion to scholars in the humanities social sciences and natural sciences to foster the development of Christian sexual ethics for contemporary times Essays by prominent and emerging scholars in the fields of anthropology sociology psychology philosophy literary studies theology and ethics reveal how faith and reason can illuminate our understanding of human sexual and gender diversity Focusing on the intersection of theology and science and incorporating feminist theory *God Science Sex Gender* is a much needed call for Christian ethicists to map the origins and full range of human sexual experience and gender identity Essays delve into why human sexuality and gender can be so controversial in Christian contexts investigate the complexity of sexuality in humans and other species and reveal the implications of diversity for Christian moral theology Contributors are Joel Brown James Calcagno Francis J Catania Pamela L Caughie Robin Colburn Robert Di Vito Terry Grande Frank Fennell Anne E Figert Patricia Beattie Jung Fred Kniss John McCarthy Jon Nilson Stephen J Pope Susan A Ross Joan Roughgarden and Aana Marie Vigen

Joel Hollier, 2023-04-06 *Religious Trauma, Queer Identities* In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatising and the task of creating safe faith spaces in which LGBTQA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

Open Wide the Gates Brian D. Cunnington, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict *Open Wide the Gates* presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunnington points to a path

forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation

The Gospel of Jesus Green Neil J. Whitehouse,2024-06-11 This is a gospel of personal stories science and existential hope for the Jesus curious and those who want to know what Green means Modern people are like the passengers on the Titanic the triumphs of technology have real limitations They face the necessity to share the planet that takes them to hard politics Economics can be integrated with ecology and the essentials of human relationships The history of Jesus may make him an uncertain figure but his demand to live for the best can still be felt Whitehouse draws on paleontologist Fr Pierre Teilhard de Chardin and existentialist Paul Tillich to claim home for all not just for humans is a universal biological phenomenon and a truth named by Jesus A biodiversity of illustrations entertains and reveals trees can speak dead birds teach and rivers become persons Then Jesus Green emerges as a systems thinker for the home If Jesus was homeless for a cause he found his home on the cross now a paradoxical symbol that lifts up our place within nature This creative passionate account delivers the punch other Green Christian books lack It could not have come sooner

Homosexuality, Science, and the "plain Sense" of Scripture David L. Balch,2000 Homosexuality is arguably the most hotly contested topic in the church today Taking up the issue from both poles of the discussion this volume by eleven biblical scholars psychologists and theologians canvasses the debate over the meaning of the scriptural passages on homosexuality from Genesis Leviticus Romans and 1 Corinthians in light of contemporary scientific and exegetical evidence Contributors David L Balch Phyllis A Bird Nancy J Duff David E Fredrickson Kathryn Green McCreight Christine E Gudorf Robert Jewett Stanton L Jones William R Schoedel Christopher Seitz Mark G Toulouse Mark A Yarhouse

[Quick to Listen](#) Samuel Degner,Christopher Doerr,Nick Schmoller,Luke Thompson,2018-01-01 Do you know how to talk to people with different beliefs than yours Throughout their faith journeys Christians encounter people with lifestyles outlooks and worldviews that test and even defy what they believe Many Christians don t know how to react to those encounters How do you have meaningful conversations that don t devolve into heated arguments with people who don t share your beliefs Your instincts might tell you to refute opposing viewpoints with clever arguments and witty retorts but those responses can push people away Even worse they don t clearly reflect the loving attitude of Jesus Quick to Listen is made up of open and honest conversations and interviews held by the authors with evolutionists atheists Bible skeptics and friends and members of the LGBTQ community When asked what it meant to have his story shared in this book one man replied It meant there s at least one Christian out there more interested in understanding me than lecturing me That s what Quick to Listen is all about It s a helpful tool to instruct you in listening and learning to talk with people who don t share your beliefs as a Christian It will equip you to acknowledge and understand their experiences and perspectives while also pointing you straight to the Bible to affirm and clarify your faith and beliefs It will help you build relationships based on genuine Christian compassion so you can share Jesus and his love with them

Homosexuality and the Christian Mark A. Yarhouse, PsyD, 2010-09-01 Mark Yarhouse gives honest and accurate answers to parents and pastors who have questions about homosexuality Throughout the book the author uses a new framework for understanding the issue carefully separating the concept of same sex attraction from a gay identity In a clear and compassionate style he explains the research regarding what causes same sex attraction and whether or not it can be overcome He also discusses what Christians can do when someone they know opens up to them about their homosexual attractions

Mere Science and Christian Faith Greg Cootsona, 2018-03-13 Emerging adults want to believe that science and faith can coexist peacefully and Greg Cootsona argues that they can In his book *Mere Science and Christian Faith* he holds out a vision for the integration of science and faith and how it can lead us more deeply into the conversations that confront the church today

The Bible, Sexuality, and Culture Brian Neil Peterson, 2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy's undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture's rejection or undoing of every one of God's mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word

What Are Biblical Values? John J. Collins, 2019-08-06 What does the Bible actually say about many of today's most contentious moral issues For drawing attention to the relevant scriptures and for guidance in recognizing what are and aren't valid interpretations of them Collins' pertinent brief is beyond praiseworthy Booklist starred review Collins pours a lifetime of scholarship into this study of what the Bible says about controversial ethical topics It's highly readable and it's honest Jane McBride *Christian Century* Many people today claim that their positions on various issues are grounded in biblical values and they use scriptural passages to support their claims But the Bible was written over the course of several hundred years and contains contradictory positions on many issues The Bible seldom provides simple answers it more often shows the complexity of moral problems Can we really speak of biblical values In this eye opening book one of the world's leading biblical scholars argues that when we read the Bible with care we are often surprised by what we find Examining what the Bible actually says on a number of key themes John Collins covers a vast array of topics including the right to life gender the role of women the environment slavery and liberation violence and zeal and social justice With clarity and authority he invites us to dramatically reimagine the basis for biblical ethics in the world
