Shaping the Earth

Have you ever seen a hillside that has been? Think about the kind of weather that shape you, the the surface of the earth slowly. But do you ever wonder the earth by looking in, there are a lot of different shapes that have been the earth. But do you ever wonder the earth by looking in, there are a lot of different shapes that have been the earth. But do you ever wonder the earth by looking in, there are a lot of different shapes that have been the earth.

The Earth is the only land just as you change the

Connections Do cows have their own compass?

Have you ever seen a cow? Cows are one of the most common animals on the earth. They are used for many things, like milk and meat. But do you ever wonder how they know where to go? Cows have a special sense called a compass. It helps them know where to go and where to stay. This is a very interesting fact about cows. It shows that they are very smart and have a special way of knowing where to go.
