Hess,2013-02-01 A practical and entertaining volume Cage Busting Leadership will be of profound interest and value to school and district leaders and to everyone with a stake in school improvement Rick Hess aptly describes his aims at the start of this provocative book I believe that two things are true It is true as would be reformers often argue that statutes policies rules regulations contracts and case law make it tougher than it should be for school and system leaders to drive improvement and well lead However it is also the case that leaders have far more freedom to transform reimagine and invigorate teaching learning and schooling than is widely believed In his travels across the country Rick Hess has met school and system leaders who have shared stories about evading blasting through or reshaping unnecessary and counterproductive constraints Drawing on these stories and with his sharp eye Hess shows current and aspiring leaders how they can cultivate and sustain powerful cultures of teaching and learning

Federalist Solutions to Pakistan's Political Crises Sikander Ahmed Shah,2024-04-30 Federalist Solutions to Pakistan s Political Crises investigates the transformative potential of communal democratic norms within Pakistan s politico economic sphere Analyzing the current consociational structure which inordinately predicates federal organization on ethnic identity the book reveals the particular challenges facing Pakistan exacerbated by the imposition of neoliberal norms on its society and economy Advocating for a localized centripetalist model Sikander Ahmed Shah proposes leveraging power sharing to counter the prevailing hegemonic trends and to foster greater sociocultural cohesion within Pakistan s diverse polity This model entails dividing Pakistan s federal provinces into smaller diverse entities more reflective of their particular constituent demographics while integrating key democratic principles such as distributive justice grassroots democracy minority protections and multiculturalism into its governance structures The book explores Pakistan s civil military asymmetry emphasizing the influential role of the military establishment and its intertwined relationship with preexisting inter ethnic tensions The analysis also extends to the China Pakistan Economic Corridor CPEC examining its impact on Pakistan s federal structure socio economic fabric and civil military dynamics within the context of China s distinctive economy Throughout the work seeks to provide locally relevant and indigenously viable solutions for positive and equitable outcomes challenging historical power imbalances that have marginalized certain groups in Pakistan

Virtual Holocaust Memory Matthew Boswell,Antony Rowland,2023 The Holocaust was the defining cataclysm of modernity Now more than three quarters of a century later the immersive interactive technologies of the digital age are dramatically refashioning our memory of that genocide Virtual Holocaust

Memory offers the first comprehensive account of a unique historical juncture as twenty first century digital culture meets the edge of living Holocaust memory The book considers a range of projects that are being developed by museums archives businesses and educational organizations in the USA and Europe including interactive video testimony Virtual Reality films Augmented Reality apps museum installations and online exhibitions Drawing on an original conceptual framework that incorporates connective memory palimpsestic testimony and a notion of truthfulness first applied to testimonial writing by the survivor Charlotte Delbo this groundbreaking book argues that the value of virtual Holocaust memory that is to say its truthfulness will ultimately come to rest on the connections that it establishes across a complex set of subject positions These range from new bystanders who encounter Holocaust memory from a position of relative safety to the traumatized victims whose extreme physical and psychological experiences made communicating so difficult in the first place

The International Cometary Explorer (ICE) Worksheet Stephen P. Maran,1985 Softimage Ingrid Hoelzl,Remi Marie,2015-09-01 With today s digital technology the image is no longer a stable representation of the world but a programmable view of a database that is updated in real time It no longer functions as a political and iconic representation but plays a vital role in synchronic data to data relationships It is not only part of a program but it contains its own operating code the image is a program in itself Softimage aims to account for that new reality taking readers on a journey that gradually undoes our unthinking reliance on the apparent solidity of the photographic image and building in its place an original and timely theorization of the digital image in all its complexity one that promises to spark debate within the evolving fields of image studies and software studies
