The Hallelujah Effect Babette Babich, 2016-03-16 This book studies the working efficacy of Leonard Cohen's song Hallelujah in the context of today's network culture Especially as recorded on YouTube k d lang's interpretation's of Cohen's Hallelujah embody acoustically and visually viscerally what Nietzsche named the spirit of music Today the working of music is magnified and transformed by recording dynamics and mediated via Facebook exchanges blog postings and video sites Given the sexual religious core of Cohen's Hallelujah this study poses a phenomenological reading of the objectification of both men and women raising the question of desire including gender issues and both homosexual and heterosexual desire A review of critical thinking about musical performance as currency and consumed commodity takes up Adorno's reading of Benjamin's analysis of the work of art in the age of mechanical reproduction as applied to music radio sound and the persistent role of recording consciousness Ultimately the question of what Nietzsche called the becoming human of dissonance is explored in terms of both ancient tragedy and Beethoven's striking deployment of dissonance as Nietzsche analyses both as playing with suffering discontent and pain itself a playing for the sake not of language or sense but musically as joy

Leonard Cohen Christophe Lebold, 2024-09-01 Leonard Cohen has aimed high to be all Jewish heroes at once Like Jacob he struggled with angels Like David he sang psalms and seduced women Like Abraham he moved from place to place and remained a stranger everywhere But he never ceased doing what he did best stepping into avalanches and reviving our hearts From Montreal and New York to the Greek island of Hydra Leonard Cohen *The Man Who Saw the Angels Fall* follows the singer's cosmopolitan life and examines his perpetual dialogues with God with himself and with hotel rooms After twenty years of research Christophe Lebold who spent time with the poet in Los Angeles

delivers a stimulating analysis of Cohen's life and art. Gracefully blending biography and essay, he interrogates the mission the singer had set out for himself to show us that darkness is just the flip side of light. The first edition of my book was published in French in late 2013 to good reviews and few readers. Then came 2014. Leonard tells me that if we must meet, it should be soon. He tells me why. A few months later, I am on a plane to Los Angeles. From the first minute we spoke like old friends, sometimes until late at night. Although he was not well, he let me watch him live for a little. We said things to each other that I can't repeat. It is not that they are secret; they are just very delicate. Like butterflies or hummingbirds. To repeat them would destroy them. We met again in Los Angeles two months later; he seemed in much better shape. We spent a last afternoon together; we hung out, we had a laugh, smoked a cigarette. And it was time to go. We stayed in touch. We were now friends. In his emails, he always talked about his health as an amusing detail, a little whim of the body. Two weeks before his death, I got a last humorous, loving email warning me that the body ferociously insists on gravitational rights. A little nod at my theme of the fall of men and angels. And then he left. It broke my heart, of course, but that's what hearts are for. **Hallelujah**

- Piano Solo, 2014-12-01. Piano Solo Sheets. An intermediate level piano solo arrangement of this Leonard Cohen classic.

The Art of Leading Change Mike

Bonem,2022-07-26 In *The Art of Leading Change* author Mike Bonem asks What is the primary distinction between the science and the art of change leadership His answer People And leading people in churches and ministries is messy The science of change leadership doesn't ignore the human element but it tends to overlook the differences between people and the significant impact those differences have on how to best lead change The art of leading change is all about people We can't do the work God has called us to do without people yet each individual and each collection of individuals is unique This resource is a guide to better understand and practice the art of leading people through change The heart of the book describes ten perspectives on leading change Each perspective is captured in a memorable phrase that underscores an important principle such as Lead with trust and Resisters are not the enemy The ten perspectives are bookended by two other essential insights The Challenge of Leading Change examines the contours and underlying factors that make change so difficult in ministry settings The Courage for Change at the book's conclusion explores the conviction and fortitude leaders will need for the change journey Leading change in a church has never been easy It has become far more difficult as our society has become increasingly complex fractured and secular Even though change is challenging pastors and ministry leaders cannot be satisfied with maintaining the status quo Whether you're leading from the first chair or some other role and whether the changes you face are big or small *The Art of Leading Change* will be a valuable addition to your leadership toolkit

Siting Futurity Susan Ingram,2021 It also shows how work with a connection to Vienna by international stars like David Bowie Wes Anderson and Christoph Schlingensiefel has absorbed the same principles While the overwhelming scale of technological development and the ensuing problems and crises may not have been deliberately designed to induce resignation passivity and despair those who benefit from the related hyperobjects of financialization and climate change must find it convenient that they do as demoralization reduces resistance to their profit making machinations It is in this context that Red Vienna's proud tradition of social engagement and long tradition of resistance and radicality deserves to be better known Susan Ingram is Professor in the Department of Humanities at York University Toronto where she coordinates the Graduate Diploma for Comparative Literature and is affiliated with the Canadian Centre for German and European Studies and the Research Group on Language and Culture Contact

a Spanish village childhood a Scottish boarding school education and nearly two decades of living and working in London in the pioneering days of Virgin Records These new recollections playfully explore his adjustment to life in a new country the labyrinth involved in making films the gifted collaborators he encountered along the way and the work itself notably one of Australia's most enduringly successful movies *The Adventures of Priscilla Queen of the Desert* It completes the journey of a solitary boy who fell in love with cinema and of the man who strove to bring it to life Beautifully written hugely entertaining Clark's amazing adventures in the movie business are masterfully woven into a grand story of love and family Richard Kuipers *Variety* A warm hearted witty and insightful page turner from one of Australia's leading producers sharing the highs and lows and the behind the scenes dramas of some of our most loved and respected films A tale of optimism and ingenuity Jan Chapman *Al Clark's second volume of memoirs is a high octane read His wild ride through the rough and tumble of Australian filmmaking is exhilarating* Ana Kokkinos

Reading the Bible with Giants David Paul Parris, 2015-03-04 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two way dialogue between themselves and the text Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation However if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them Drawing on resources from Reception Theory the goal of *Reading the Bible with the Giants* is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us

Leonard Cohen on Leonard Cohen Jeff Burger, 2014-04-01 A treasure trove for Leonard Cohen fans the dazzling wide ranging collection of interviews that Jeff Burger has unearthed not only offers the songwriter's story in his own words but reveals that Cohen's language in conversation can be every bit as magnificent as his lyrics Alan Light author of *The Holy or the Broken* This book collects more than fifty interviews with Leonard Cohen one of the most admired performers of the last half century conducted worldwide between 1966 and 2012 and also includes a foreword by singer Suzanne Vega and eight pages of rarely seen photos In it the artist talks about *Bird on the Wire* *Hallelujah* *Famous Blue Raincoat* and his other classic songs He candidly discusses his famous romances his years in a Zen monastery his ill fated collaboration with producer Phil Spector and his long battle with depression He also comments on his sometimes controversial poetry and novels the financial crisis that nearly wiped out his savings and his remarkable late career resurgence Here you'll find interviews that first appeared in the *New York Times* and *Rolling Stone* but also conversations that have not previously been printed in English as well as many illuminating reminiscences that contributors supplied specifically for this definitive anthology Jeff Burger is the editor of *Springsteen on Springsteen* He has contributed to *Barron's* *Family Circle* *GQ* the *Los Angeles Times* *Reader's Digest* and more than seventy five other magazines newspapers and books He lives in Ridgewood New Jersey
