Ballot Initiatives in the Pacific Northwest, 2010 *Federal Election Campaign Financing Guide*, 1981 **Governing the Evergreen State** Gerry Alexander, David Ammons, Jim Camden, Maria Chávez, Richard Elgar, H. Stuart Elway, 2020-10-14 Washington State is a place of political mavericks. Split tickets are a source of pride and independent voters outnumber Democrats and Republicans. Washington was first to have a voter approved state Equal Rights Amendment, first to elect a woman as governor and first to elect a Chinese American to the position. Today Washington's open primary election system and voter registration process demonstrate it has not drifted far from its populist roots. *Governing the Evergreen State* provides an absorbing look at an ever evolving state political and judicial system and presents intriguing case studies. With chapters on interest groups, the constitution, the environment, media coverage, the court system, the legislature, political parties, changing demographics and more, this volume updates the popular *Governing Washington*. Fresh discussions and analysis written by academics from universities across the state, a senator, a pollster, a newspaper reporter, blogger, a former chief justice of the state Supreme Court and a court administrator offer a springboard for further examination and discussion.
