Governor of the State of California
State Capitol
Sacramento, California 95814

Honorable Governor Wilson:

SUBJECT: NECESSARY VETO OF A.B. 2560
Perata (D-Alameda)

I tried to fax to you on Saturday but your machine was not in operation. I did send an earlier version of this letter to those members of the legislature who had fax machines operating on that same day; however, since I had more time to complete my grievance against A.B. 2560, I have revised my letter to you in an effort to stop your signing into law a most dreadful legislative act, passed by both the California State Assembly (41-31), and the Senate (24-12) known as A.B. 2560, by Assemblyman Don Perata. It may be called the "Taxation Without Representation Again" bill. It is on your desk for your signature which I appeal to you -- Please do not sign this bill!

My plea to you is as follows with some special essential documents attached. Governor, it is within your power to put a stop to A.B.2560's becoming *supposed* "law" in our State. It is unworthy of entry into California laws!

FIRST, The legislature is operating in areas strictly forbidden to them! Errant public officials have taken the oath required of all public officials to "support and defend the federal and State Constitutions, and the Second Amendment of the *Bill of Rights*"; yet, they *think* that just because they have a greater number of people holding down seats at the Capitol who are *willing to violate their oath of office* -- more in number than those public officials who *refuse* to do so -- that this is all it takes to turn *fraud* into law!!

We are now down to the point where there soon will be no arms at all allowed for use by the law-abiding people! Americans have an obligation to fulfill certain responsibilities, to their families, and to the nation. Further, it's the *people's obligation* to preserve the *Bill of Rights*, to protect themselves and their fellow Americans. The condition of *safety of the state* * is the highest law that public officials are required to respect. The security of a free state can not be achieved by a disarmed people!

Why is it that errant members of the legislature have chosen not to separate law-abiding people from the criminal element of society and seek to disarm us all? The people have been forced into a position of "resistance against injustice".

*Salus populi suprema lex esto. The Safety of the State is the supreme law. ...Cicero

Contest(ed) Writing Mary Lamb, 2013-01-14 This collection is about writing contests a vibrant rhetorical practice traceable to rhetorical performances in ancient Greece In their discussion of contests cultural work the scholars who have contributed to this collection uncover important questions about our practices For example educational contests as epideictic rhetoric do indeed celebrate writing but does this celebration merely relieve educators of the responsibility of finding ways for all writers to succeed Contests designed to reward single winners and singly authored works admirably celebrate hard work but do they over emphasize exceptional individual achievement over shared goals and communal reward for success Taking a cultural rhetorical approach to contests each chapter demonstrates the cultural work the contests accomplish The essays in Part I examine contests and riddles in classical Greek and Roman periods educational contests in eighteenth century Scotland and the Lyceum movement in the Antebellum American South The next set of essays discusses how contests leverage competition and reward in educational settings medieval universities American turn of the century women s colleges twenty first century scholarship essay contests and writing contests for speakers of other languages at the University of Portsmouth The last set of essays examines popular contests including poetry contests in Youth Spoken Word popular American contests designed by marketers and twenty first century podcasting competitions This collection then takes up contests as a cultural marker of our values assumptions and relationships to writing contests and competition

Subcommittee No. 5, 1967 **U.C. Davis Law Review** University of California, Davis. School of Law, 1997 **The Right to Bear Arms** Robert J. Spitzer, 2001-11-28 An objective examination of the Second Amendment focusing on the intentions of its authors its evolution from America's beginnings to the present and the views expressed by the courts In *The Right to Bear Arms* Rights and Liberties under the Law the first volume in ABC-CLIO's America's Freedoms series political scientist Robert J. Spitzer combats hysteria and rhetoric with simple facts He takes no position on whether more or fewer gun control laws are needed or whether guns are good or bad Instead he traces the roots of the Second Amendment analyzes the opinions and intentions of its authors follows its application and evolution from its beginnings and explores the views expressed by the courts He then carefully compares the intended and the implied meaning of this amendment with the views expressed by the entire spectrum of groups involved in the gun control issue Armed with the facts readers can decide for themselves

Engines of Liberty David Cole, 2016-03-29 From the national legal director of the ACLU an essential guidebook for anyone seeking to stand up for fundamental civil liberties and rights One of Washington Post's Notable Nonfiction Books of 2016 In an age of executive overreach what role do American citizens have in safeguarding our Constitution and defending liberty Must we rely on the federal courts and the Supreme Court above all to protect our rights In *Engines of Liberty* the esteemed legal scholar David Cole argues that we all have a part to play in the grand civic dramas of our era and in a revised introduction and conclusion he proposes specific tactics for fighting Donald Trump's policies Examining the most successful rights movements of the last thirty years Cole reveals how groups of ordinary Americans confronting long odds have managed time and time again to convince the courts to grant new rights and protect existing ones *Engines of Liberty* is a fundamentally new explanation of how our Constitution works and the part citizens play in it **The Politics of Gun**

Control Robert J. Spitzer, 2004 This work offers wide ranging coverage of the American gun culture the history and meaning of Second Amendment the criminological consequences of guns the policy making roles of Congress the presidency the bureaucracy interest groups public opinion and the political parties **Vote Gun** Patrick J. Charles, 2023-05-02 Today gun control is one of the most polarizing topics in American politics However before the 1960s positions on firearms rights did not necessarily map onto partisan affiliation What explains this drastic shift Patrick J. Charles charts the rise of gun rights activism from the early twentieth century through the 1980 presidential election pinpointing the role of the 1968 Gun Control Act Gun rights advocates including the National Rifle Association had lobbied legislators for decades but they had cast firearms control as a local issue After the assassination of President John F. Kennedy in 1963 spurred congressional proposals to regulate firearms gun rights advocates found common cause with states rights proponents opposed to civil rights legislation Following the enactment of the Gun Control Act lawmakers on both sides of the aisle began to stake out firm

positions Politicians including Richard Nixon and Ronald Reagan recognized the potential of gun control as a wedge issue and gun rights became increasingly tied to the Republican Party Drawing on a vast range of archival evidence Charles offers new insight into the evolution of the gun rights movement and how politicians responded to anti gun control hardliners He examines in detail how the National Rifle Association reinvented itself as well as how other advocacy groups challenged the NRA s political monopoly Offering a deep dive into the politicization of gun rights Vote Gun reveals the origins of the acrimonious divisions that persist to this day
