**Anatomy of Transcendence: Mental Excess and Rapture in the Thought and Life of Thomas Aquinas** Peter Kwasniewski,2025-02-12 Man is created by God for an eternal glory that surpasses his nature Even now he is called to a graced participation in divine life that draws him above and beyond himself conforming him to the one in whose image he is made In his theological writings Thomas Aquinas explored this order of excess that characterizes God s elevation

of the rational creature discerning in its most extreme instances mystical transport ecstasy and rapture the essential contours of the ordering of Christian life to the transcendent union of beatific vision This same ordering is witnessed in Aquinas's own experience where toward the end of his life he was raised to a contemplative vision surpassing all language and further study In *Anatomy of Transcendence* Peter A Kwasniewski examines the intersection of Aquinas's theological writings and mysticism establishing a vocabulary and topography for the Angelic Doctor's study and experience of ecstasy and excess in God's raising of the human mind to divine things While drawing on the full scope of the saint's corpus the study pays particular attention to his engagement with Scripture especially the rapture of Paul related in 2 Corinthians thus contributing to the recovery of Aquinas not only as spiritual theologian but also as biblical theologian
