The Second Wave The Meta Superhero Novel Series 2

Clemens Wendtner

The Second Wave The Meta Superhero Novel Series 2:

The Second Wave Tom Reynolds, 2014-09-30 Summer's over and Connor Connolly is headed back to school to start junior year. But with metabands falling from the sky, the world has changed overnight and now there are thousands of new metahumans. Just like regular humans, not all metahumans are using their new powers for good. Now Connor's not only dealing with the pressures of being a super human and training with his mentor Midnight, he also has to balance relationships with the people he cares for. Most people who find themselves on different sides of the fence when it comes to their feelings about the new metahumans and the impact they're having on everyone else's lives. As the world struggles to adjust to the events of the past few months, Connor's alter ego Omni works with The Agency to apprehend law-breaking metahumans and detain them at the Silver Island Meta Detention Facility. When he's recruited for a job assisting the government agency with disarming one of the most powerful and secretive metas in Bay View City, he never expects the devastation of that mission or the affect it will have on both humans and metas. Is Connor capable of becoming the hero he wants to be? Unedited summary from back cover.

Searching for Feminist Superheroes Sam Langsdale, 2024-09-17 How superhero narratives in the margins of the mainstream tell innovative feminist stories. It's no secret that superhero comics and their related media perpetuate a model of a straight white male hero at the expense of representing women and other minorities, but other narratives exist. *Searching for Feminist Superheroes* recognizes that female-led superhero comics with diverse casts of characters and inclusive storytelling exist on the margins of the mainstream superhero genre. But rather than focusing on these stories as marginalized, Sam Langsdale's work on heroes such as Spider Woman, America Chavez, and Ironheart locates the margins as a site of innovation and productivity which have enabled the creation of feminist superhero texts. Employing feminist and intersectional philosophies in an analysis of these comics, Langsdale suggests that feminist superheroes have the potential to contribute to a social imagination that is crucial in working toward a more just world. At a time when US popular culture continues to manifest as a battleground between oppressive and progressive social norms, *Searching for Feminist Superheroes* demonstrates that a fight for a better world is worthwhile.

The Ages of the Incredible Hulk Joseph J. Darowski, 2015-11-30 The Incredible Hulk is one of the earliest Marvel Comics superheroes. Through the decades, the character and his narrative elements—the causes of Bruce Banner's transformations, the Hulk's strength, intelligence, and skin color, the stories' tone, theme, and sources of conflict—have been continually reinvented to remain relevant. This collection of new essays explores Marvel's more than five decades of Hulk comics. The contributors analyze the Hulk and his supporting cast in their shifting historical contexts, offering insights into both our popular entertainment and our cultural history. Topics include the Cold War's influence on early Incredible Hulk issues, a feminist reading of She-Hulk, and writer Peter David's focus on the AIDS crisis.

Articulating the Action Figure Jonathan Alexandratos, 2017-03-10 Action figures are more than toys or collectibles; they are statements on race, gender, class, body positivity, and more. This collection of nine new essays

and one interview argues that action figures should be analyzed in the same light as books movies television shows and other media Through an examination of the plastic bodies that fill our shelves and toy boxes Action Figure Studies can inform the next generation of toys **Forthcoming Books** Rose Army,2001 **Mutants and Mystics** Jeffrey J. Kripal,2011-11-15 Account of how comic book heroes have helped their creators and fans alike explore and express a wealth of paranormal experiences ignored by mainstream science Delving deeply into the work of major figures in the field from Jack Kirby s cosmic superhero sagas and Philip K Dick s futuristic head trips to Alan Moore s sex magic and Whitley Strieber s communion with visitors Kripal shows how creators turned to science fiction to convey the reality of the inexplicable and the paranormal they experienced in their lives Expanded consciousness found its language in the metaphors of sci fi incredible powers unprecedented mutations time loops and vast intergalactic intelligences and the deeper influences of mythology and religion that these in turn drew from the wildly creative work that followed caught the imaginations of millions Moving deftly from Cold War science and Fredric Wertham s anticomics crusade to gnostic revelation and alien abduction Kripal spins out a hidden history of American culture rich with mythical themes and shot through with an awareness that there are other realities far beyond our everyday understanding Jacket [The New York Times Book Review](#) ,1992-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The British National Bibliography** Arthur James Wells,1994

Child Development Laura E. Levine,Joyce Munsch,2016-12-01 In the Third Edition of the topically organized Child Development An Active Learning Approach authors Laura E Levine and Joyce A Munsch invite students to take an active journey toward understanding the latest findings from the field of child development Using robust pedagogical tools built into the chapter narratives students are challenged to confront myths and misconceptions participate in real world activities with children and independently and utilize video resources and research tools to pursue knowledge and develop critical thinking skills on their own This new edition covers the latest findings on developmental neuroscience positive youth development the role of fathers and more with topics of diversity and culture integrated throughout More than a textbook this one of a kind resource will continue to serve students as they go on to graduate studies to work with children and adolescents professionally and to care for children of their own *Rise of the Circle* Tom Reynolds,2015-11-24 As metahumans emerge throughout the world some greet them as saviors while others see them as a threat to humanity itself A group of elite soldiers come into possession of the most powerful metabands seen yet with the ability to destroy what was thought to be indestructible the metabands themselves With the destruction of the Silver Island Metahuman Detention Facility Bay View City goes into total lockdown Alpha Team impose their protection but at a price the complete and total ban of metahumans within the city Refusal to follow is punishable by execution Forced to leave the city he calls home Connor is given a second chance at an elite prep school across the bay one with a very big secret Rise of The Circle is the third book in the breakout

hit series that started with Meta and The Second Wave Second Wave Anne McCaffrey, The Second Wave Michael
Tod,1995 The Second Wave Michael Tod,1994-01-01 Continues the saga of the red squirrels of Dorset **The Second**
