The Secrets Of The Zohar:

The Secrets of the Zohar Nurho de Manhar, 2017 The Wisdom of the Zohar Isaiah Tishby, 1989-09-01 The Zohar is the fundamental work of Jewish mysticism Isaiah Tishby's classic and definitive *Wisdom of the Zohar* makes the world of the Zohar available to the English speaking reader in all its complexity and poetry The extended extracts are arranged by topic each section being prefaced by introductory explanations and accompanied by copious notes There is also a General Introduction on the complex symbolism of the Zohar and on its historical and literary background The scholarly value of David Goldstein's acclaimed translation is enhanced by an index expanded to include references to passages cited in the introduction and notes and by the addition of a subject index and an index of biblical references Isaiah Tishby was awarded the Bialik Prize 1972 the Israel Prize 1979 and the Rothschild Prize 1982 mainly for his work on *The Wisdom of the Zohar* David Goldstein was awarded the Webber Prize 1987 for this translation The secrets of the Zohar Nurho de Manhar, 2018-10-05 The Zohar is usually divided under two heads the Exegetical applied to the interpretation of the occult meaning of holy scripture and the Thaumaturgic comprising rules and methods for producing certain preternatural results in the cure of diseases and the exercise of Magical rites and practices Exegetical Kabbalah is founded on the assumption that Moses received from the Lord on Mount Sinai not only the words of the law but also the key to unlock and reveal the mysteries enwrapped and hidden in each section verse letter point and accent of the Pentateuch and that this key has been handed down through wise men who had qualified themselves for its reception Thaumaturgic Kabbalah is founded on the assumption that a certain virtue or energy is inherent in the words and letters of the Scriptures which on the pronunciation of them with a specific and steadfast purpose will communicate itself to spiritual or heavenly powers of which those names words and letters are the symbols producing effects which to those who have no knowledge of the occult power of vibrations would be altogether deemed incredible **The Secret History of the Zohar** Michael Berg (Rabbi.), 2008 Michael Berg's overview of the Zohar is a virtual timeline showing its connection with great historical figures and events throughout time He addresses the myths surrounding this sacred work and covers who first revealed it who wrote it down and who studied it not just Jewish scholars but Plato Sir Isaac Newton the Knights Templar and other inquisitive thinkers Berg clearly demonstrates the profound influence Zohar and Kabbalah have had on all the major disciplines from literature and art to medicine and science **Secrets of the Zohar** Michael Berg, 2023-01-10 As the first person to translate the entire 23 volume Zohar from Aramaic into modern English Michael Berg is uniquely qualified to convey its timeless wisdom to a wider audience In these pages Michael deciphers the encoded words of the ancient sages organizing and explaining them in a way that is easily comprehensible In *Secrets of the Zohar* he presents the wisdom from this great book in both Aramaic and English as according to Kabbalah's greatest sages The Light of the Creator is embodied in the Zohar's very letters and words and scanning the Zohar in the original language reveals Light This unique compilation allows readers to draw on the Zohar's full

energy by introducing some of the Zohar's most important stories thus empowering through an intellectual spiritual connection

The Zohar: Reception and Impact Boaz Huss, 2016-05-12 National Jewish Book Awards Finalist for the Nahum N Sarna Memorial Award for Scholarship 2016 From its first appearance the Zohar has been one of the most sacred authoritative and influential books in Jewish culture Many scholarly works have been dedicated to its mystical content its literary style and the question of its authorship This book focuses on different issues it examines the various ways in which the Zohar has been received by its readers and the impact it has had on Jewish culture including the fluctuations in its status and value and the various cultural practices linked to these changes This dynamic and multi layered history throws important new light on many aspects of Jewish cultural history over the last seven centuries Boaz Huss has broken new ground with this study which examines of the reception and canonization of the Zohar as well as its criticism and rejection from its inception to the present day His underlying assumption is that the different values attributed to the Zohar are not inherent qualities of the zoharic texts but rather represent the way it has been perceived by its readers in different cultural contexts He therefore considers not only the attribution of different qualities to the Zohar through time but also the people who were engaged in attributing such qualities and the social and cultural functions associated with their creation re creation and rejection For each historical period from the beginning of Zohar scholarship to the present Huss considers the social conditions that stimulated the veneration of the Zohar as well as the factors that contributed to its rejection alongside the cultural functions and consequences of each approach Because the multiple modes of the reception of the Zohar have had a decisive influence on the history of Jewish culture this highly innovative and wide ranging approach to Zohar scholarship will have important repercussions for many areas of Jewish studies
