Volume 1: 1855-1894** William F. Halloran,2018-11-27 William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp s own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George Meredith and the Fiona Macleod letters which bring to life Sharp s intriguing second self With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity **Theologia Reformata** John Edwards,1713 *Psalms (Vol. 1)* Charles H. Spurgeon,1993-11-19 For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentaries present the very best work on individual Bible books carefully adapted for maximum understanding and usefulness for today s believers This book and its companion volume share the practical encouragement from a favorite Bible book Charles H Spurgeon spent twenty years compiling his seven volume exposition of Psalms which Crossway has carefully edited for the modern reader In the words of Spurgeon in his Preface None but the Holy Spirit can give a man the key to the Treasury of David and even he gives it rather to experience than to study Happy he who for himself knows the secret of the Psalms In these busy days it would be greatly to the spiritual profit of Christians if they were more familiar with the Book of Psalms in which they would find a complete armory for life s battles and a perfect supply for life s needs **The Baptist Encyclopedia - Vol. 1** William Cathcart,2001

[Commentary on the Gospel According to Saint John: Volumes 1 & 2](#) Saint Cyril,Aeterna Press, S Cyril Archbishop of Alexandria was well nigh the last of that bright array of Greek Fathers which shone throughout all the fourth century and into the fifth His powerful and comprehensive mind well read and strengthened by study of Greek Heathen lore as his frequent citations not only of Homer but even of the less known poets and his very language indicate fostered by the works of

his great predecessor S Athanasius and aided by the living influence of S Isidore Abbat of Pelusium whom even when he had become Archbishop he still called father his single hearted loyal piety which every writing of his breathes forth his will formed for rule combined with the perception of the points that he could yield without betraying Truth all gave him during his life an influence such as no other man of his time had and his writings were appealed to for centuries after on matters of dogma Aeterna Press **Prayer Book Parallels Vol 1** Paul V. Marshall, 2000-01-01 The two volumes of Prayer Book Parallels are aids to the study of the development of the American book from as many points of view as possible They include liturgical texts and related historical documents Volume One contains the texts of the public services of the American Church arranged in parallel columns from the colonial period to the present to enable comparative study The two volumes are of great value to seminarians clergy church historians and anyone interested in the development of the present Prayer Book

Morals on the Book of Job: Volumes 1 to 3 Saint Gregory the Great, Aeterna Press, The following Commentary may perhaps be regarded with the less interest by some readers as not being founded on a critical examination of the original Text Perhaps however there may also be readers who are glad to have their attention withdrawn from difficulties to them insuperable and fixed on those deep and pervading characteristics which it is the privilege of holiness to read in the sacred page Criticism may contradict the interpretation of a sentence and give a different turn to particulars but the main scope of the work is founded on principles of a higher order and involves a perception of truths to which the acutest critic may perchance be blind The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said it is the Book of Job Aeterna Press
