Task cards are so fun and easy to use and can be used in a variety of ways: as brain breaks, in centers, as a "scout" activity, for reinforcement or review, or as early finishers. They can be used as independent, partner, or small group activities.

Printing: Cards are designed to be colored ink-friendly but also look great printed in grayscale. Print on paper or cardstock. Laminate them if you would like! For best results, "actual size" on your printer settings is recommended for printing.

Storing: Card sets can be hole punched in one corner and put on a ring. They can also be stored in a pencil pouch or a small baggie, bin, or accordion file folder. Enjoy!
