Students of the Dream Ruth Carbonette Yow, 2017-11-27 For decades Marietta High was the flagship public school of a largely white suburban community in Cobb County Georgia just northwest of Atlanta Today as the school s majority black and Latino students struggle with high rates of poverty and low rates of graduation Marietta High has become a symbol of the wave of resegregation that is sweeping white students and students of color into separate schools

across the American South Students of the Dream begins with the first generations of Marietta High desegregators authorized by the landmark Brown v Board of Education ruling and follows the experiences of later generations who saw the dream of integration fall apart Grounded in over one hundred interviews with current and former Marietta High students parents teachers community leaders and politicians this innovative ethnographic history invites readers onto the key battlegrounds varsity sports school choice academic tracking and social activism of Marietta s struggle against resegregation Well intentioned calls for diversity and colorblindness Ruth Carbonette Yow shows have transformed local understandings of the purpose and value of school integration and not always for the better The failure of local state or national policies to stem the tide of resegregation is leading activists students parents and teachers to reject traditional integration models and look for other ways to improve educational outcomes among African American and Latino students Yow argues for a revitalized commitment to integration but one that challenges many of the orthodoxies including colorblindness inherited from the mid twentieth century civil rights struggle

Understanding Flood Preparedness Jarosław Działek, Wojciech Biernacki, Roman Konieczny, Łukasz Fiedon, Paweł Franczak, Karolina Grzeszna, Karolina Listwan-Franczak, 2019-01-01 The book looks at the factors influencing the level of preparedness of communities exposed to flooding It is based on original research carried out in twelve areas in southern Poland that suffered serious flood damage in the past thirty years The underlying research was intended on the one hand to verify modern concepts explaining the behaviour of people who were exposed to natural hazards and on the other to explore the influence of the local natural social historical and economic contexts that could modify that behaviour The book has three main threads the social memory of floods and their image as it evolves in time the influence of social and economic conditions social vulnerability on the preparedness to take on flood mitigation measures and the role of risk communication in strengthening flood resilience The main body of the work is based on 1 surveys carried out among the flood affected population and members of local crisis services 2 interviews with the flood affected population and with members of administration and services Police Fire Dept with a history of rescue missions and 3 an analysis of social media content and of local administration and government agency websites and land use planning documents The primary data collected by the authors was supplemented by statistics on the impact of floods occurring in the study areas The data is presented in tables graphs and maps for easier comprehension The book is aimed at researchers and students as well as at practitioners interested in risk perception flood memories social vulnerability resilience studies social capacity building risk communication education

Urban Politics Myron A. Levine, Heywood T. Sanders, 2025-03-31 Urban Politics brings together the classic and contemporary literature on urban politics and history with today s pressing urban issues This book s central theme is power going beyond the formal institutions and structures of city and suburban government to explain who defines the urban agenda and who benefits from local services and investments This book also presents a number of subthemes including the impact of globalization the dominant place of economic development concerns in the urban agenda and the

continuing importance of race and poverty in big city and suburban politics It also places cities in the larger context of state and federal government politics and policies and discusses the impact of those policies Urban Politics seeks to engage students with photographs real world case studies and boxed material that employs films video television shows and popular music to illustrate how urban politics works Urban Politics has been updated and revised to reflect the complex circumstances of both urban success stories and the difficult realities of cities left behind and to add new material on concentrated poverty climate change and the impacts of the COVID 19 pandemic The 11th edition of Urban Politics is an ideal introductory text for students of urban suburban and regional politics and policy This book s coverage of contemporary issues urban bureaucracy policy analysis and intergovernmental relations also makes it an effective textbook for classes in urban administration and planning Support material for this book can be found at www.routledge.com 9781032270654
