
ASSIGNMENT: BUSINESS PROPOSAL

BD130: INTRODUCTION TO ENTREPRENEURSHIP

THE ASSIGNMENT

You have decided on a venture idea. Now you must explain how you decided on it, what it is, and why you believe it will work - you need to create a *business proposal*.

This business proposal may be accepted by your business mentor (Mr. G. Donovan) or it may be rejected for insufficient evidence, in which case you will need to start again and re-submit.

Please note: you cannot submit any future assignments until this assignment has been accepted (i.e., without this assignment, you get zero in everything that comes after it)

THE TASK

SECTION 1: IDEA EVALUATION

You will develop a list of 35-50 possible ideas for a venture. From this list you will choose the best 5 options, and then from these 5 possibilities you will choose the top 1. You will then evaluate the chosen idea to determine its viability.

PRODUCTS:

- list of 50 ideas, in no particular order
- the decision making models you created/completed in which you evaluated your top five ideas, indicating your best choice and 2nd best choice
- the completed worksheet "6 Hats Thinking", in which you explore your two chosen ideas from various angles

SECTION 2: MARKET RESEARCH

You will perform both primary and secondary research for your chosen venture idea to assess whether there is a market for the venture, and the particulars of that market.

PRIMARY RESEARCH: will include a questionnaire that you will create and then use as a survey tool to determine the viability of your idea, as well as characteristics of your market, your competition, and your target market. Will also include either a summary of a focus group discussion or a summary of a series of interviews you perform.

PRIMARY RESEARCH PRODUCTS:

- a blank questionnaire
- a tally sheet for the survey's answers, with appropriate graphs/charts, sectioned into:
 - I. Product
 - II. Market & Competition
 - III. Target market characteristics
- the question sheet for your focus group or interview (NOTE: this will be a different set of questions than for your survey questionnaire)
- a summary report of 1-3 pages of your findings from performing either a focus group discussion with 6-10 participants or a series of 10 1-on-1 interviews

DUE DATE: FRIDAY, APRIL 9TH, 2010

Scoring Guide For A Business Proposal Assignment
