## **Scott Foresman Lexile Guide:**

**Scott Foresman Science**, 2008      **Assessing and Correcting Reading and Writing Difficulties** Thomas G. Gunning, 2002 This text provides numerous examples and thorough coverage of procedures for assessing and instructing struggling readers of all ages In keeping with current theory the text emphasizes prevention and early intervention It is based on the premise that student performance is variable and that assessment and instruction are planned and modified to meet the varied needs and levels of students Gunning does not subscribe to a medical model that emphasizes deficiencies but rather focuses on what students can do This text calls for inclusion not exclusion but recognizes that struggling learners need expert carefully planned assessment and instruction Assessment coverage includes a grounding in basic concepts of tests and measurement While formal standardized measures are described emphasis is placed upon informal but highly regarded techniques such as the informal reading inventory miscue analysis running records observation think alouds holistic scoring of writing and portfolio assessment In addition to chapters devoted specifically to assessment ways to connect assessment and instruction are mentioned throughout the text Coverage of instructional techniques is thorough and practical Nine chapters are devoted to instructional techniques      Research-Based Practices for Teaching Common Core Literacy P. David Pearson, Elfrieda H. Hiebert, 2015 This one of a kind resource will be invaluable to every teacher educator every curriculum director and every literacy coach whether or not they must meet Common Core Standards Bringing together perspectives from literacy luminaries each addressing their specialty this book offers an accessible fund of rich practices in literacy instruction The book serves two purposes First it assembles a body of knowledge and wisdom from leading literacy researchers who each draw from a long career in the field to address topics of central importance to good literacy instruction Second these research to practice leaders connect established best practices and foundational research to the current challenge of instruction to meet Common Core Standards and other rigorous curriculum guidelines The contributors point out strengths of the Common Core as well as issues and oversights that educators should be aware of Closing chapters situate the Common Core within a continuum of educational policy and legislation Contributors Richard L Allington Monica T Billen Jay S Blanchard Robert Calfee Gina N Cervetti Michael F Graves John T Guthrie Elfrieda H Hiebert James V Hoffman Rosalind Horowitz Michael L Kamil Barbara Kapinus Richard Long Leigh Ann Martin Kimberly McCuiston James Nageldinger David Paige P David Pearson Timothy Rasinski S Jay Samuels Barbara Taylor Joanna P Williams Kathleen Wilson Pearson and Hiebert have long advocated for children in schools and this volume is no exception They and their chapter authors situate the CCSS within the historical and policy context in which it was written and support the literacy education community as we wrestle with the implications the standards have for research for teachers for teaching and for learning Sharon Walpole University of Delaware This book gets way beyond generalities and polemics about the Common Core taking a deep and measured dive into a wide range of essential topics within the standards I read a lot and I can't think of the last time I read
