**The Single Male Parents Cookbook and Short Stories** Joe Barfield,2010-11-28 The Single Male Parents Cookbook is a delightful combination of food and humor two subjects everyone will enjoy As a single parent the author raised his children from the time they were four and six and soon became an expert in the kitchen As he said SMy cooking must have been good because both are adults now and still alive which only attests to culinary skills or luck *A Life in Time, My Story* Joe

Barfield,2010-11-28 As a child I was called Tiger because I was always into things As a teenager the death of my father died and we began to move around I became angry a SRebel I had conflicts with religion When my children were four and six I became a single parent I learned a lot from them I hope my stories will keep you laughing Some that are sad but that is life

**A Short Story Collection** Joe Barfield,2010-11-29 These shorts are based on actual events and parts from my novels Sebring the Rainman is based on a race my son Beaux actually competed Night of the Virgin is a combination of events that happened to me in high school I eventually married her at midnight in a jail in Mexico Some of the dialog from Flight 223 occurred when I was on the flight from Seattle to Houston during the 911 **Moon Shadow** Joe Barfield,2010-11-13 Is Moon Shadow fiction or history in the making Set in 2012 Moon Shadow depicts the financial collapse and subsequent invasion of the United States Completed over a decade ago this story is so close to current events that it seems more historical than a work of fiction From a terrorist attack using three hijacked airliners to a top secret spaceplane project dubbed Aurora both the premise and content of my novel have become reality Was Mark Halperin right in calling President Barrack Obama a dick Not really But what if the president were an unintentional traitor See what happens when Obama destroys American in my novel Moon Shadow Intended to be a work of fiction only to entertain author Joe Barfield admits even he is surprised as events in his novel Moon Shadow are becoming more historical than fictional with each passing day Barfield said Moon Shadow tells the story about the fall of the greatest country in the world The United States of America The collapse is not so much from outside forces but rather from the greed within I never dreamed how close Moon Shadow would describe events in America and the Mid East today Written fourteen years ago Moon Shadow was updated recently to better describe current events that are quickly changing the world Reflecting on his novel Barfield also said I originally based the collapse of the United States on the greed of American CEOs the corruption of our leaders and the collapse of the financial institutions during President George H Bush s administration Now it seems Moon Shadow is closer to depicting the events of President Barrack Obama s administration Abraham Linoln said America will never be destroyed from the outside If we falter and lose our freedoms it will be because we destroyed ourselves Just a few disturbing things found in Moon Shadow are the use of three hijacked passenger airliners with one crashing into a football game killing the president Another war occurs in the Middle East that is very similar to Desert Storm but with a big difference The United States is defeated The novel predicted a Democrat would be elected in 2008 and he would destroy America financially with a National Debt near 20

trillion Where are we today The author was quoted saying From the beginning of time every empire has collapsed There have been no exceptions Moon Shadow depicts America s leadership greed and corruption as the reasons for the collapse will get people on both sides of the fence talking It is an exciting edge of your seat story about a handful of America s best jet pilots desperately trying to take America back after the invasion Their reluctant leader Beau Gex is forced to lead them to safety Trapped behind enemy lines this small group of pilots fight against overwhelming odds They are forced to fly one last deadly mission where America s future depends on its best pilot Beau Gex defeating a technologically advanced F 14 fighter jet at night But all he has on his side is an antiquated World War II P 51 Mustang and an old Indian Legend Moon Shadow For the not faint at heart Moon Shadow begins with one of the edgiest torture scenes since Marathon Man And for those looking for love mixed in with their adventure Moon Shadow satisfies as a tender romance between Beau and Krysti Socorro an exquisite doctor Will the betrayal of another tear them apart forever Can a child save their love or is it too late **Formula 2000, the**

Cajun is an action romance that is a little Crocodile Dundee and a little Rambo Logline With a million dollar reward on her head Kelli Parsons hides in the treacherous Atchafalaya Swamp where living or dying depends on one man the Cajun Synopsis Kelli Parsons a beautiful tough writer has written a series of articles about the religious practices of the Muslims Now a fatwa or contract for her death along with it a million dollar reward has forced her to run from the terrorists While in

protective custody of the FBI's lead agent Richard Staley who is willing to give her up for part of the reward they are ambushed on the 20 mile bridge crossing Louisiana's Atchafalaya Swamp. In a desperate escape attempt Kelli jumps into the swamps where the swamp wise and mysterious Cajun Ballew Dragon rescues her. The terrorists led by the cold blooded killer Kaja Aboujawadeh pursue her into the swamps with seven of his men. The Cajun catches them all and later releases them with the promise of death if they return. But Kaja is not to be denied and returns with 24 men including two of the best in the world, Mustafa and Kidane. None of the men have ever tasted defeat. Their force captures Kelli along with two of Ballew's friends, Happy Jak the rotund and jolly bar owner and Belle Rose the old tobacco chewing voodoo chanting woman of the swamps they call Swamp Witch. While trying to rescue his friends Ballew is tortured and almost killed but manages to escape with Kelli. After he rescues his friends he returns to the terrorist to exact his Cajun revenge. Using the swamp and all of her secrets Ballew follows and kills the terrorists one by one but not without the help of Kelli who saves his life. The Franchise The Cajun would be a little Indiana Jones with a mix of Lethal Weapon. A buddy movie where one of the characters is a strong female lead. The stories will deal with current news stories and events that will hold the viewer's attention and interest. I have a completed script and novel for The Cajun. I have started the sequel and have outlines for four more that are listed below. The main character is Ballew Dragon who is swamp wise and mysterious. Some think his mother is the Swamp Witch. His buddy in the series is Kelli Parsons, a beautiful tough writer who is on the run from terrorists after her scorching articles on the Islamic faith. Returning characters are Richard Staley, the FBI agent who is willing to give up Kelli for part of the reward but changes and saves her in the end. Happy Jak Chamblee. He is Ballew's friend and runs a bar in the swamps called Happy Jak's. Belle Rose, the old tobacco chewing voodoo chanting woman of the swamps they call the Swamp Witch. The Cajun is a natural to lead into an adventure cartoon for kids dealing with all of the animals in the swamp. The Cajun could also make for a very interesting video game. The main character is part Crocodile Dundee and part Rambo First Blood. This is perfect for a series of movies. I have three sequels ready to start. This would make a great graphic novel and even video game. I have also written a novel to the script. There are six sequels I'm working for. The Cajun series: Hijacked, Atchafalaya, Paradise Lost, Cajun Justice, Kidnapped, Swamp Rats.

Now they must race to save Houston from a disaster worse than a nuclear explosion: a chemical storm.
